ELIGIBILITY OF SHAREHOLDERS TO PARTICIPATE IN THE RIGHTS ISSUE

Entitled Shareholders

In order to be eligible for the Rights Issue, a Shareholder must be an Entitled Shareholder and not be a person to whom it is unlawful to send the Notification, this Offer Information Statement or its accompanying documents (including the PAL, ARE and the ARS) or make an invitation under the Rights Issue.

All questions as to the eligibility of any person to participate in the Rights Issue, subscribe and/or apply for the Rights Shares and (if applicable) the Excess Rights Shares and as to the validity, form and/or eligibility (including time of receipt) of any PAL, ARE or ARS are determined by the Company in its sole discretion. The Company's determination of whether a person is an Eligible Shareholder, whether or when an ARE, ARS or PAL is received, whether an ARE, ARS or PAL is duly completed or signed in original, or whether any acceptance is validly revoked shall be final and binding.

Entitled Shareholders are entitled to participate in the Rights Issue and to receive the Notification and this Offer Information Statement together with the ARE, the ARS or the PAL, as the case may be, and other accompanying documents at their respective addresses in Singapore maintained with the records of CDP or the Share Registrar, as the case may be. Any acceptances and/or applications by such investors to accept the provisional allotments of Rights and (if applicable) apply for Excess Rights Shares made directly to CDP, the Share Registrar, the Company or by way of Electronic Applications will be rejected.

The distribution of this Offer Information Statement and its accompanying documents may be prohibited or restricted (either absolutely or subject to various relevant securities requirements, whether legal or otherwise, being complied with) in certain jurisdictions under the relevant laws of those jurisdictions. Foreign Shareholders who wish to accept the provisional allotments of the Rights Shares credited by CDP to their Securities Accounts should make the necessary arrangements with their Depository Agents or stockbrokers in Singapore. Further, an Entitled Scripholder, whose address as stated in the PAL is outside Singapore, will not be entitled to accept the provisional allotment of the Rights Shares renounced to him.

The Company reserves the right to reject any acceptance of the Rights Shares and/or application for Excess Rights Shares where it believes, or has reason to believe, that such acceptance and/or application may violate the applicable legislation of any jurisdiction.

The Company further reserves the right, but shall not be obliged, to treat as invalid any ARE or ARS or PAL which (a) appears to the Company or its agents to have been executed in any jurisdiction outside Singapore or which the Company believes or has reason to believe may violate any applicable legislation of such jurisdiction; (b) provides an address outside Singapore for the receipt of the share certificate(s) for the Rights Shares or which requires the Company to despatch the share certificate(s) to an address in any jurisdiction outside Singapore; or (c) purports to exclude any representation or warranty or confirmation, whether express or deemed. The Company further reserves the right to reject any acceptances of the Rights Shares and/or applications for Excess Rights Shares where it believes, or has reason to believe, that such acceptances and/or applications may violate the applicable laws of any jurisdiction.

It is the responsibility of any person (including, without limitation, custodians, nominees and trustees) outside Singapore wishing to take up their provisional allotments of Rights Shares or apply for Excess Rights Shares under the Rights Issue to satisfy himself as to the full observance of the laws of any relevant territory in connection therewith, including the obtaining of any governmental or other consents which may be required, the compliance with other necessary formalities and the payment of any issue, transfer or other taxes due in such territories. The comments set out in this section are intended as a general guide only and any Foreign Shareholder who is in doubt as to his position should consult his professional advisers without delay.

Receipt of this Offer Information Statement, the ARE, the ARS or the PAL, or the crediting of Rights Shares to a Securities Account shall not constitute an offer in those jurisdictions in which it would be illegal to make an offer and, in those circumstances, this Offer Information Statement and the AREs, the ARS' or the PALs must be treated as sent for information only and should not be copied or redistributed. No person receiving a copy of this Offer Information Statement, an ARE, an ARS, a PAL and/or a credit of Rights Shares to a Securities Account in any territory other than Singapore may treat the same as constituting an invitation or offer to him, nor should he in any event use any such ARE, ARS or PAL and/or accept any credit of Rights Shares to a Securities Account unless, in the relevant territory, such an invitation or offer could lawfully be made to him and such ARE, ARS or PAL and/or credit of Rights Shares to a Securities Account could lawfully be used or accepted, and any transaction resulting from such use or acceptance could be effected, without contravention of any registration or other legal or regulatory requirements.

Persons (including, without limitation, custodians, nominees and trustees) receiving a copy of this Offer Information Statement and/or an ARE, ARS or a PAL should not distribute or send the same in or into any jurisdiction where to do so would or might contravene local securities laws or regulations. Any person (including, without limitation, custodians, nominees and trustees) who forwards this Offer Information Statement, or an ARE or an ARS or a PAL into any such territories (whether pursuant to a contractual or legal obligation or otherwise) should draw the recipient's attention to the contents of the relevant sections of this Offer Information Statement.

Shareholders with registered addresses outside Singapore who wish to participate in the Rights Issue should provide CDP (at P.O. BOX 2002 Robinson Road Singapore 904002) or the Share Registrar, Boardroom Corporate & Advisory Services Pte. Ltd. (at 1 Harbourfront Avenue, Keppel Bay Tower #14-07, Singapore 098632), as the case may be, with an address in Singapore for the service of notices and documents not later than three (3) Market Days prior to the Record Date.

If it is practicable to do so, arrangements may, at the discretion of the Company, be made for the provisional allotment of Rights Shares which would otherwise have been provisionally allotted to Foreign Shareholders, to be sold "**nil-paid**" on the SGX-ST as soon as practicable after dealings in the provisional allotment of Rights Shares commence. Such sales may, however, only be effected if the Company, in its absolute discretion, determines that a premium can be obtained from such sales, after taking into account the relevant expenses to be incurred in relation thereto.

The net proceeds from all such sales, after deduction of all expenses therefrom (including applicable brokerage, commission and goods and services tax) will be pooled and thereafter distributed to Foreign Shareholders in proportion to their respective shareholdings or, as the case may be, the number of Shares standing to the credit of their respective Securities Account as at the Record Date and sent to them at their own risk by ordinary post, or in such other manner as they may have agreed with CDP for payment of any cash distribution. If the amount of Net Proceeds to be distributed to any single Foreign Shareholder is less than S\$10.00, such Net Proceeds will be retained or dealt with as the Directors may, in their absolute discretion, deem fit in the interests of the Company and no Foreign Shareholder shall have any claim whatsoever against the Company, the Directors, the Share Registrar or CDP in connection therewith.

Where such provisional allotments of Rights Shares are sold “**nil-paid**” on the SGX-ST, they will be sold at such price or prices as the Company, may in its absolute discretion, decide and no Foreign Shareholder shall have any claim whatsoever against the Company, the Directors, the Sponsor, the Share Registrar, CDP and/or their respective officers in connection therewith.

If such provisional allotment of Rights Shares cannot be or are not sold on the SGX-ST as aforesaid for any reason by such time as the SGX-ST shall have declared to be the last day for trading in the provisional allotment of Rights Shares, the Rights Shares represented by such provisional allotment will be used to satisfy excess applications (if any) or disposed of or otherwise dealt with in such manner as the Directors may, in their absolute discretion, deem fit in the interests of the Company and no Foreign Shareholder shall have any claim whatsoever against the Company, the Directors, the Sponsor, the Share Registrar, CDP and/or their respective officers in connection therewith.

Shareholders should note that the special arrangements described above will apply only to Foreign Shareholders.

Notwithstanding anything herein, Entitled Shareholders and/or any other person having possession of this Offer Information Statement and/or its accompanying documents are advised to inform themselves of and to observe any legal requirements applicable thereto at their own expense and without liability to the Company or any other person involved in the Rights Issue. No person in any territory outside Singapore receiving this Offer Information Statement and its accompanying documents may treat the same as an offer, invitation or solicitation to subscribe for any Rights Shares, unless such offer, invitation or solicitation could lawfully be made without compliance with any regulatory or other legal requirements in such territory.

This Offer Information Statement and/or its accompanying documents are not intended for distribution outside of Singapore.

TRADING

Listing and Quotation of Rights Shares

Approval in-principle has been obtained from the SGX-ST for the listing of and quotation for 112,813,870 Rights Shares on the Catalist of the SGX-ST, subject to the fulfilment of certain conditions. The approval in-principle of the SGX-ST is not to be taken as an indication of the merits of the Rights Issue, the Rights Shares, the Company and/or its subsidiaries.

The listing of the Rights Shares on the Catalist will commence after all conditions imposed by the SGX-ST are satisfied, all certificates relating thereto have been issued and the allotment notification letters from CDP have been despatched. Upon listing and quotation on the SGX-ST, the Rights Shares, when issued, will be traded under the book-entry (scripless) settlement system. For the purposes of trading on the Catalist, each board lot of Shares will comprise 100 Shares. All dealings in, and transactions (including transfers) of the Rights Shares effected through the SGX-ST and/or CDP shall be made in accordance with CDP's "**Terms and Conditions for Operation of Securities Accounts with CDP**" and the "**Terms and Conditions for CDP to act as Depository for the Rights Shares**" as the same may be amended from time to time. Copies of the above are available from CDP.

Arrangements for Scripless Trading

To facilitate scripless trading, Entitled Scripholders and their renounees who wish to accept the Rights Shares provisionally allotted to them and (if applicable) apply for Excess Rights Shares, and who wish to trade the Rights Shares issued to them on the SGX-ST under the book-entry (scripless) settlement system, should open and maintain Securities Accounts with CDP in their own names if they do not already maintain such Securities Accounts before accepting any Rights Shares or applying for any Excess Rights Shares, in order for the number of Rights Shares and, if applicable, the Excess Rights Shares that may be allotted to them to be credited by CDP into their Securities Accounts. Entitled Scripholders and their renounees who wish to accept the Rights Shares and/or apply for the Excess Rights Shares and have their Rights Shares credited by CDP into their Securities Accounts must fill in their Securities Account numbers and/or National Registration Identity Card ("**NRIC**")/passport numbers (for individuals) or registration numbers (for corporations) in the relevant forms comprised in the PAL. Entitled Scripholders and their renounees who fail to fill in their Securities Account numbers and/or NRIC/passport numbers (for individuals) or registration numbers (for corporations) or who provide incorrect or invalid Securities Account numbers and/or NRIC/passport numbers (for individuals) or registration numbers (for corporations) or whose particulars provided in the forms comprised in the PAL differ from those particulars in their Securities Accounts currently maintained with CDP will be issued physical share certificate(s) in their own names for the Rights Shares allotted to them. Such physical share certificate(s), if issued, will be forwarded to them by ordinary post at their own risk, but will not be valid for delivery pursuant to trades done on the SGX-ST under the book-entry (scripless) settlement system, although they will continue to be *prima facie* evidence of legal title.

If an Entitled Scripholder's address stated in the PAL is different from his address registered with CDP, he must inform CDP of his updated address promptly, failing which the notification letter on successful allotment and other correspondence will be sent to his address last registered with CDP.

A holder of physical Share certificate(s), or an Entitled Scripholder who has not deposited his Share or certificate(s) with CDP but wishes to trade on the SGX-ST, must deposit with CDP the respective certificate(s), together with the duly executed instruments of transfer in favour of CDP, and have his Securities Account credited with the number of Rights Shares or existing Shares, as the case may be, before he can effect the desired trade.

Trading of Odd Lots

Fractional entitlements to the Rights Shares will be disregarded in arriving at the Entitled Shareholders' provisional allotments of Rights Shares and will, together with the provisional allotments of Rights Shares which are not taken up or allotted for any reason, be aggregated and allotted to satisfy excess applications (if any), or otherwise dealt with in such manner as the Directors may, in their absolute discretion, deem fit in the interests of the Company. **Entitled Shareholders should note that the Rights Issue may result in them holding odd lots of Shares (that is, lots other than board lots of 100 Shares).**

Entitled Depositors who wish to trade all or part of their provisional allotments of Rights Shares on the SGX-ST through the book-entry (scripless) settlement system during the provisional allotment trading period should note that the provisional allotments of Rights Shares will be tradable in board lots, each board lot comprising provisional allotments of 100 Rights Shares, or any other board lot size which the SGX-ST may require. Such Entitled Depositors may start trading in their provisional allotments of Rights Shares as soon as dealings therein commence on the SGX-ST. Entitled Depositors who wish to trade in lot sizes other than mentioned above may do so in the Unit Share Market of the SGX-ST during the provisional allotment trading period.

Following the Rights Issue, Shareholders who hold odd lots of the Rights Shares (i.e. less than 100 Shares) and who wish to trade in odd lots are able to do so on the SGX-ST's Unit Share Market. The Unit Share Market is a ready market for trading of odd lots of Shares. The market for trading of such odd lots of Shares may be illiquid.

There is no assurance that they can acquire such number of Shares, as the case may be, to make up one board lot of 100 Shares, or to dispose of their odd lots (whether in part or in whole) on the Catalist.

Trading of Shares of Companies Listed on the Catalist

Companies listed on the Catalist may carry higher investment risk when compared with larger or more established companies listed on the Main Board of the SGX-ST. In particular, companies may list on the Catalist without a track record of profitability and there is no assurance that there will be a liquid market in the securities traded on the Catalist. A prospective investor should be aware of the risks of investing in such companies and should make the decision to invest only after careful consideration and, if appropriate, consultation with an independent adviser.

Further, the Company disclaims any responsibility to update any of those forward-looking statements or publicly announce any revisions to those forward-looking statements to reflect future developments, events or circumstances for any reason, even if new information becomes available or other events occur in the future. Where such developments, events or circumstances occur and are material, or are required to be disclosed by law and/or the SGX-ST, the Company may make an announcement of the same to the SGX-ST and, if required, lodge a supplementary or replacement document with the SGX-ST, acting as agent of the Authority.

TAKE-OVER LIMITS

The Take-over Code regulates the acquisition of ordinary shares of corporations with a primary listing on the SGX-ST including the Company. Except with the consent of the Securities Industry Council, any person who acquires whether by a series of transactions over a period of time or not, shares which (taken together with shares held or acquired by persons acting in concert with him) carry 30% or more of the voting rights of the company; or any person who, together with persons acting in concert with him, holds not less than 30% but not more than 50% of the voting rights and such person, or any person acting in concert with him, acquires in any period of six (6) months additional shares carrying more than 1% of the voting rights, must extend a take-over offer for the remaining voting Shares in the Company in accordance with the provisions of the Take-over Code. In addition to such person, each of the principal members of the group of parties acting in concert with him may, according to the circumstances of the case, have the obligation to extend an offer.

Shareholders who are in doubt as to their obligations, if any, to make a mandatory take-over offer under the Take-over Code as a result of any acquisition of Rights Shares pursuant to the Rights Issue or the acceptance of all or any of their respective provisional entitlements of Rights Shares and/or the application for Excess Rights Shares under the Rights Issue, should consult the Securities Industry Council and/or their professional advisers immediately.

Rule 820(2) of the Catalist Rules provides that the SGX-ST may permit an issuer to scale down a Shareholder's application to subscribe for the Rights Issue to avoid placing such Shareholder in a position of incurring a mandatory take-over offer obligation for the shares not already owned, controlled or agreed to be acquired by him pursuant to Rule 14 of the Take-over Code as a result of other Shareholders not taking up their entitlements of the Rights Issue fully.

Depending on the level of subscription for the Rights Shares, the Company will, if necessary, and upon the approval of the SGX-ST, scale down a Shareholder's application to subscribe for the Rights Issue to avoid placing the relevant Shareholder and parties acting in concert with it in the position of incurring a mandatory obligation under the Code as a result of other Shareholders not taking up their Rights Shares entitlements fully.

PART IV: KEY INFORMATION

Use of Proceeds from Offer and Expenses Incurred

1. In the same section, provide the information set out in paragraphs 2 to 7 of this Part.

Please refer to Paragraph 2 to Paragraph 7 of this Part IV below.

2. Disclose the estimated amount of the proceeds from the offer (net of the estimated amount of expenses incurred in connection with the offer) (called in this paragraph and paragraph 3 of this Part as the net proceeds). Where only a part of the net proceeds will go to the relevant entity, indicate the amount of the net proceeds that will be raised by the relevant entity. If none of the proceeds will go to the relevant entity, provide a statement of that fact.

Under the Maximum Scenario, which assumes that all the Rights Shares to be issued pursuant to the Rights Issue are fully subscribed for by all Entitled Shareholders, 112,813,870 Rights Shares will be issued pursuant to the Rights Issue, the issued and paid-up share capital of the Company will thus increase to 225,627,740 Shares (“**Maximum Scenario**”).

The Board has received irrevocable undertakings from the following shareholders as an indication of their support for the Rights Issue and to demonstrate their commitment to and confidence in the prospects of the Group (each, an “**Undertaking Shareholder**” and collectively, the “**Undertaking Shareholders**”):

- (a) Ms. Shitthi, who is also the Chief Administrative Officer and spouse of the CEO and Executive Director of the Group, Mr. Mohamed Gani Mohamed Ansari;
- (b) Mr. Martin, who is also the Chief Operating Officer of the Group; and
- (c) Mr. Kris, who is also the Chief Sales Officer of the Group,

(collectively, the “**Irrevocable Undertakings**”).

As part of the respective Irrevocable Undertakings, the Undertaking Shareholders will:

- (a) subscribe and pay for, and/or procure the subscription of and payment for, their respective *pro rata* entitlement of:
 - (i) 55,416,666 Rights Shares for Ms. Shitthi;
 - (ii) 15,833,333 Rights Shares for Mr. Martin; and
 - (iii) 7,916,666 Rights Shares for Mr. Kris,

 - (ii) 15,833,333 Shares for Mr. Martin; and
 - (iii) 7,916,666 Shares for Mr. Kris.

Pursuant to the Irrevocable Undertakings provided by the Undertaking Shareholders, the subscription amount for the Undertaking Shares payable by the Undertaking Shareholders will be partially offset against each of their respective debts due and owing by the Company to the Undertaking Shareholders, and the remaining of the subscription amount not offset against their respective debts due and owing by the Company to the Undertaking Shareholders will be paid by cash by the Undertaking Shareholders. The following table sets out details of the subscription amount to be paid in cash by the Entitled Shareholders (including the Undertaking Shareholders) and subscription amount to be offset against debts due and owing by the Company to the Undertaking Shareholders in the Maximum Scenario:

Other Shareholders	841,180.13	–
Total	2,028,680.13	791,666.62

Taking into account the offsetting arrangement as set out above, the Company expects to receive net proceeds (the “**Net Proceeds**”) of approximately S\$1,828,680.13 under the Maximum Scenario, after deducting estimated expenses of approximately S\$200,000.00 to be incurred in connection with the Rights Issue.

Under the Minimum Scenario, which assumes that only the Undertaking Shareholders subscribes and pays for (or procures subscription and payment for) in full at the Issue Price, by way of acceptance, their provisional allotment of an aggregate of 79,166,665 Undertaking Entitled Shares and 33,647,205 Undertaking Excess Shares under the Rights Issue pursuant to the Irrevocable Undertakings and none of the other Entitled Shareholders or purchasers of the “**nil-paid**” rights during the “**nil-paid**” rights (“**Purchasers**”) trading period subscribe and pay for any Rights Shares, the Company will issue 112,813,870 Rights Shares and the resultant enlarged issued and paid-up share capital of the Company in the Minimum Scenario will be 225,627,740 Shares.

Pursuant to the Irrevocable Undertakings provided by Undertaking Shareholders, the subscription amount for the Undertaking Shares payable by the Undertaking Shareholders will be partially offset against their respective debts due and owing by the Company to the Undertaking Shareholders, and the remaining of the subscription amount not offset against their respective debts due and owing by the Company to the Undertaking Shareholders will be paid by cash by the Undertaking Shareholders. The following table sets out details of subscription amount to be paid in cash by Entitled Shareholders (including the Undertaking Shareholders) and subscription amount to be offset against debts due and owing by the Company to the Undertaking Shareholders in the Minimum Scenario:

Entitled Shareholders	Subscription amount to be paid in cash (S\$)	Subscription amount to be offset against debts due and owing by the Company (S\$)

Mr. Martin	237,500.00	190,207.93
Mr. Kris	118,750.00	299,646.07
Other Shareholders	–	–
Total	1,187,500.00	1,632,846.75

Taking into account the offsetting arrangement as set out above, the Company expects to receive Net Proceeds of approximately S\$987,500.00 under the Minimum Scenario, after deducting estimated expenses of approximately S\$200,000.00 to be incurred in connection with the Rights Issue.

For the avoidance of doubt, all of the Net Proceeds will go to the Company.

-
- 3. Disclose how the net proceeds raised by the relevant entity from the offer will be allocated to each principal intended use. If the anticipated proceeds will not be sufficient to fund all of the intended uses, disclose the order of priority of such uses, as well as the amount and sources of other funds needed. Disclose also how the proceeds will be used pending their eventual utilisation for the proposed uses. Where specific uses are not known for any portion of the proceeds, disclose the general uses for which the proceeds are proposed to be applied. Where the offer is not fully underwritten on a firm commitment basis, state the minimum amount which, in the reasonable opinion of the directors or equivalent persons of the relevant entity, must be raised by the offer of securities or securities-based derivatives contracts.**
-

In the Maximum Scenario, the Company intends to use the Net Proceeds of the Rights Issue as follows:

- (a) up to 28.9% to fund the acquisition of vehicles and equipment; and
- (b) up to 71.1% for general working capital purposes.

In the Minimum Scenario, the Company intends to use 100% of the Net Proceeds of the Rights Issue for general working capital purposes.

Pending the deployment of the Net Proceeds, the Net Proceeds may be deposited with banks and/or financial institutions, invested in short-term money market instruments and/or marketable securities, or used for any other purposes on a short-term basis as the Directors may deem appropriate in the interests of the Company.

There is no minimum amount that must be raised from the Rights Issue. Accordingly, the Company has decided to undertake the Rights Issue on a non-underwritten basis in view of the savings in costs enjoyed by the Company as a result of not having to bear any underwriting fees and commission.

The Company will make periodic announcements on the utilisation of such proceeds from the Rights Issue as and when the funds from the proposed Rights Issue are materially disbursed and provide a status report on the use of the proceeds raised in its interim and full-year financial statements issued under Rule 705 of the Catalist Rules and in the Company's annual report(s). Where the proceeds have been used for working capital, the Company will also provide a breakdown with specific details on the use of proceeds for working capital in the announcements and status reports. Where there is a material deviation in the use of proceeds, the Company will also state the reasons for such deviation.

4. For each dollar of the proceeds from the offer that will be raised by the relevant entity, state the estimated amount that will be allocated to each principal intended use and the estimated amount that will be used to pay for expenses incurred in connection with the offer.

The estimated gross proceeds under the Maximum Scenario will be S\$2,028,680.13 and under the Minimum Scenario will be S\$1,187,500.00.

The Company intends to use the proceeds raised from the Rights Issue in the following manner:

Description/ Use of Proceeds	Maximum Scenario		Minimum Scenario	
	Amount to be raised from the Rights Issue (S\$)	Amount for each dollar of the proceeds to be raised from the Rights Issue (S\$)	Amount to be raised from the Rights Issue (S\$)	Amount for each dollar of the proceeds to be raised from the Rights Issue (S\$)

Acquisition of vehicles and equipment	528,680.13	0.2606	N/A	N/A

-
- 5. If any material part of the proceeds to be raised by the relevant entity will be used, directly or indirectly, to acquire or refinance the acquisition of an asset, business or entity, briefly describe the asset, business or entity and state its purchase price. Provide information on the status of the acquisition and the estimated completion date. Where funds have already been expended for the acquisition, state the amount that has been paid by the relevant entity, or if the relevant entity is the holding company or holding entity of a group, the amount that has been paid by the relevant entity or any other entity in the group as at the latest practicable date. If the asset, business or entity has been or will be acquired from an interested person of the relevant entity, identify the interested person and state how the cost to the relevant entity is or will be determined and whether the acquisition is on an arm's length basis.**
-

As disclosed in Paragraph 4 of Part IV of this Offer Information Statement, assuming the Maximum Scenario, the Company intends to utilise approximately S\$528,680.13 or 26.06% of the gross proceeds for the acquisition of vehicles and equipment from independent third parties. For the avoidance of doubt, assuming the Minimum Scenario, none of the gross proceeds will be used for the acquisition of vehicles and equipment.

Such acquisition(s) may be expected within the next twenty-four (24) months for the purpose of vehicular fleet rejuvenation or supporting new business growth going forward. As at the Latest Practicable Date, save as disclosed above, no decision has been taken to earmark any material part of such net proceeds towards the acquisition of any specific asset.

-
- 6. If any material part of the proceeds to be raised by the relevant entity will be used to discharge, reduce or retire the indebtedness of the relevant entity or, if the relevant entity is the holding company or holding entity of a group, of the group, describe the maturity of such indebtedness and, for indebtedness incurred within the past year, the uses to which the proceeds giving rise to such indebtedness were put.**
-

As disclosed in Paragraph 2 of Part IV of this Offer Information Statement, assuming the Maximum Scenario, the Company intends to utilise S\$791,666.62 of the subscription amount to offset against debts due and owing by the Company to the Undertaking Shareholders.

The debts due and owing by the Company to the Undertaking Shareholders arose from the completion of the RTO which was completed on 18 August 2021. Subsequent to the RTO, the Company had signed three (3) supplementary deeds dated 23 June 2021, 30 December 2021, and 29 December 2022, with the full loan tenure extended by up to forty-eight (48) months with loan maturity on 18 August 2025.

Taking into account the offsetting arrangement, the Company expects to receive Net Proceeds of approximately S\$1,828,680.13 under the Maximum Scenario, after deducting estimated expenses of approximately S\$200,000.00 to be incurred in connection with the Rights Issue.

Save as disclosed above, no portion of the Net Proceeds has been earmarked for the purposes of discharging, reducing, or retiring the indebtedness of the Group as at the Latest Practicable Date.

7. In the section containing the information mentioned in paragraphs 2 to 6 of this Part or in an adjoining section, disclose the amount of discount or commission, agreed upon between the underwriters or other placement or selling agents in relation to the offer and the relevant person making the offer. If it is not possible to state the amount of discount or commission, the method by which it is to be determined must be explained.

The Rights Issue is not underwritten and no underwriters, placement or selling agents have been appointed in relation to the Rights Issue.

A summary of the operations, business and financial performance of the Group for FY2021, FY2022, and FY2023 is set out below.

FY2023 vs FY2022

Revenue

For FY2023, Group revenue increased by S\$0.26 million, or 3%, from S\$7.73 million to S\$7.99 million for FY2023. The increase was largely driven by increase of S\$0.43 million in revenue from cruise waste handling, partially offset by a decrease of S\$0.19 million in revenue from cargo ship general waste handling.

Other Income

Other income increased by S\$1.44 million, or 465%, from S\$0.31 million to S\$1.75 million for FY2023, largely due to a one-off S\$1.30 million insurance claim for repair works completed in relation to damage caused by a fire at the Group's Tuas Facility in December 2021.

Expenses

Amortisation of right-of-use ("RoU") assets increased by S\$0.04 million, or 8%, from S\$0.53 million to S\$0.57 million for FY2023. The increase was mainly due to additional finance leases secured in respect of new motor vehicles and an excavator during FY2023.

Depreciation of property, plant, and equipment ("PPE") increased by S\$0.12 million, or 10% from S\$1.19 million to S\$1.31 million for FY2023. The increase was mainly due to commencement of depreciation of major portion of the Group's integrated recycling plant with effect from 1 May 2022.

Employee benefits expense increased by S\$0.15 million, or 7%, from S\$2.00 million to S\$2.15 million for FY2023. The increase was mainly due to the shift from labour subcontracting to internal manpower hiring for some of its operations as well as manpower support for its new construction waste handling business.

Other operating expenses increased by S\$1.15 million, or 23%, from S\$5.05 million to S\$6.20 million for FY2023. The increase was primarily due to a S\$1.30 million one-off expenditure incurred to repair damage caused by a fire at the Group's Tuas Facility (which was in turn offset by a similar amount under other income) and rental of vehicles and land space of S\$0.08 million, partially offset by the decrease of S\$0.28 million in subcontractor costs.

Finance costs increased by S\$0.12 million, or 19%, from S\$0.66 million to S\$0.78 million for FY2023. The increase was largely attributable to the increase in certain loan borrowing rates and fresh drawdowns of short-term revolving loan during FY2023, partially offset by the decrease in interest cost led by progressive repayment of loan principals.

FY2022 vs FY2021

Revenue

For FY2022, the Group's revenue increased by S\$1.35 million, or 21%, from S\$6.38 million to S\$7.73 million. The increase was primarily attributable to one-off project-based services supplied for the disposal of near-expired grocery products and damaged ship cargo, as well as an increase in scrap metal sales during FY2022.

Other Income

Other Income increased by S\$0.14 million, or 80%, from S\$0.17 million to S\$0.31 million in FY2022, primarily attributable to an insurance claim for damaged equipment and an increase in government grants.

Expenses

Employee benefits expenses increased by S\$0.20 million, or 11%, to S\$2.00 million in FY2022. The rise was primarily due to salary increases following the RTO in August 2021, which were mitigated by a reduction in the foreign worker levy and provision for unutilised leave.

During FY2022, the amortisation of RoU assets grew by S\$0.15 million, or 41%, from S\$0.37 million to S\$0.53 million. The increase was primarily attributable to the capitalisation of amortisation in respect of the Group's land lease at the Tuas Facility prior to 1 June 2021.

Depreciation of PPE increased by S\$0.51 million, or 76%, from S\$0.68 million to S\$1.19 million in FY2022. The increase was primarily attributable to:

- (a) the depreciation of the Group's Tuas Facility beginning on 1 June 2021; and
- (b) the depreciation of the majority of the Group's integrated recycling plant beginning on 1 May 2022.

Other operating expenses increased by S\$1.38 million, or 38%, to S\$5.05 million in FY2022. The increase resulted largely from the following:

- (a) a S\$1.03 million, or 39%, increase in direct operating costs, which was disproportionately larger than the revenue increase, owing mostly to an increase in the procurement of scrap metal for recycling and subcontracted services engaged for project-based waste disposals;
- (b) a S\$0.23 million, or 55%, increase in vehicle overhead, due to higher diesel costs as a result of higher diesel prices; and
- (c) a S\$0.13 million, or 24%, increase in general and administrative expenses which was primarily attributable to higher compliance-related expenses following the completion of the RTO, which mainly comprised professionals' fees and directors' fees.

For FY2022, finance costs increased by S\$0.25 million or 62%, from S\$0.41 million to S\$0.66 million. The increase was primarily attributable to:

- (a) capitalisation of interest on bank loan taken to construct the Tuas Facility prior to 1 June 2021;
- (b) rise in bank loan interest; and
- (c) increase in interest on amount owed to shareholders arising from the RTO.

Liquidity and Capital Resources

-
7. Provide an evaluation of the material sources and amounts of cash flows from operating, investing and financing activities in respect of –
- (a) the most recently completed financial year for which financial statements have been published; and
- (b) if interim financial statements have been published for any subsequent period, that period.
-

The consolidated cash flow statement for the Group for FY2023 is set out below:

(S\$'000)	FY2023
Net cash generated from operating activities	1,145
Net cash used in investing activities	(204)
Net cash used in financing activities	(1,444)
Net decrease in cash and cash equivalents	(503)
Cash and cash equivalents at beginning of year	1,458
Cash and cash equivalents at end of year	955

FY2023

Operating activities

In FY2023, net cash generated from operating activities was S\$1.15 million. This was largely due to operating cash inflows before working capital movement of S\$1.39 million which was partially offset by negative net working capital movement of S\$0.24 million. The negative net working capital movement of S\$0.24 million resulted from an increase in trade and other receivables of S\$0.28 million coupled with an increase in prepayments of S\$0.05 million, offset by an increase in trade and other payables of S\$0.09 million.

Investing activities

In FY2023, net cash used in investing activities was S\$0.20 million, mainly relating to the purchase of a motor vehicle, waste-carrying bins and equipment installation.

Financing activities

In FY2023, net cash used in financing activities was S\$1.44 million, primarily due to i) repayment of bank borrowings of S\$1.26 million; ii) repayment of obligations under lease liabilities of S\$0.54 million; and iii) interest payments of S\$0.62 million; partially offset by fresh proceeds from i) drawdown from revolving credit of S\$0.60 million; and ii) the hire purchase of a motor vehicle and excavator previously paid fully in cash.

As a result of the above, cash and cash equivalents decreased by S\$0.50 million to S\$0.96 million as at 31 December 2023 from S\$1.46 million as at 31 December 2022.

RISKS FACTORS

To the best of the Directors’ knowledge and belief, the risk factors that are material to Shareholders and prospective investors in making an informed judgment on the matters relating to the Rights Issue are set out below. The Group may be affected by a number of risks that may relate to the industries and countries in which the Group operates as well as those that may generally arise from, inter alia, economic, business, market and political factors, including the risks set out herein. The risks described below are not intended to be exhaustive. There may be additional risks not presently known to the Group, or that the Group may currently deem immaterial, which could affect its operations. If any of the following considerations and uncertainties develops into actual events, the business, financial conditions, or results of operations of the Company and the Group could be materially and adversely affected. In such cases, the trading price of the Group’s Shares could decline, and a prospective investor may lose all or part of his investment in the Group’s Shares.

Shareholders and prospective investors should carefully consider and evaluate the following considerations and all other information contained in this Offer Information Statement before deciding to invest in the Rights Issue. To the best of the Directors’ knowledge and belief, the risk factors which are specific to the Group and that are material to Shareholders in making an informed judgment on the Group are set out below.

Risks relating to the Group's Business

The Company is dependent on the outlook of the shipping and cruise industries for a significant portion of its revenue

The Company is primarily engaged in the collection, sorting, and safe disposal of waste from ships and cruises porting in Singapore or anchoring in the surrounding waters of Singapore and the South China Sea.

With the completion of the Tuas mega port, Singapore's current five (5) container terminals, namely Tanjong Pagar, Keppel, Brani, Pasir Panjang Terminal 1 and Pasir Panjang Terminal 2, will eventually be merged at the Tuas mega port, and this may potentially boost the demand for the services provided by the Company in coming years.

The Company presently services a range of marine transportation and logistics solutions providers and port agency services provider in Singapore, which acts as agents and/or intermediaries and in turn services a wide spectrum of ships and/or cruises.

In the event of a sudden downturn in the local shipping and cruise industries due to various factors, such as a slowdown in international trade, a global pandemic resulting in prolonged travel restrictions and government-imposed lockdowns, and competition from ports in the neighbouring regions such as Malaysia and Indonesia, the Company's business, financial position, results of operations and prospects may be adversely affected.

The Company may not be able to maintain and/or obtain the licenses, permits and approvals necessary to carry on or expand its business

The Company has obtained several licences and permits necessary for its existing business operations, including a General Waste Collector Licence (Class A and Class B), a Toxic Industrial Waste Collector Licence awarded by NEA, the licence to deal in pyrotechnics awarded by the Police Licensing & Regulatory Department and the general waste disposal facility licence issued by NEA for the Kian Teck Facility and the Tuas Facility respectively. These licences and permits are subject to conditions stipulated in the licences, permits and/or in the relevant laws, rules and regulations under which they have been issued. These conditions must be complied with for the duration of the licences and permits and where there is a failure to comply fully, the relevant authorities have the power to revoke the licences and permits. Whilst the Company has not in the past experienced any such occurrence as at the Latest Practicable Date, in the event that the foregoing occurs, the Company may be required to cease its operations and its business, financial position, results of operations and prospects may be adversely affected.

Furthermore, some of the licences and permits are subject to periodic renewal (for example, every one (1) to three (3) years) and re-assessment as well as fulfilment of conditions imposed by the relevant government authorities, and the standard of compliance required in relation thereto may from time to time be subject to changes by the authorities.

Non-renewal of the Company's licences, permits or approvals will have a material adverse effect on its operations as it may not be able to carry on its business and operations without such licences, permits and approvals being in effect, and the Company's business, financial position, results of its operations and prospects may be adversely affected. In addition, there could be modifications of, or additions or new restrictions to, the conditions attached to the Company's licences, permits or approvals in the future, and the Company may incur additional costs or resources in complying with the new or modified conditions which may in turn adversely affect its business, financial position, results of its operations and prospects.

The Company is dependent on its relationship with its major customers

Although the Company's business and profitability are presently not materially dependent on any particular commercial contract with any particular one (1) customer, the Company's business is dependent on its relationship with the local players in the shipping and cruise industries in Singapore, including its major customers.

Typically, for the waste management industry in Singapore that services the shipping and cruise segments, service providers such as the Company do not enter into any long-term service agreements with the customers for the bulk purchase of services by the customers, or the exclusive engagement of such service providers to service the customers' principals (i.e. the shipowners and cruise owners, since the customers usually act as agents and/or intermediaries and in turn service different ships and/or cruises). The Company's job assignments with its major customers are based on service quotations and are not subject to tender processes. As such, there can be no assurance that the Company will be able to retain its major customers or maintain or increase its current level of business activities with them. Should any of the Company's major customers cease or reduce their orders, the Company may not be able to immediately establish new business relationships to make up for the lost sales. Moreover, prior to establishing new business relationships, the Company may be subject to vetting and verification by its potential customers and there can be no assurance that the results thereof will be satisfactory, or that any transaction will materialise. Accordingly, the business operations, financial condition, results of operations and prospects of the Company may be materially and adversely affected if it is not able to retain its major customers.

The Company is dependent on its key management personnel for its continued success and growth

The Company's success to date is attributable to the contributions, expertise, and industry experience of the Executive Director and Executive Officers. The continued success and growth of the Company is, to a large extent, dependent on its ability to retain Mr. Mohamed Gani Mohamed Ansari, the Executive Director and Chief Executive Officer of the Enlarged Group, as well as Ms. Shitthi, Mr. Martin, and Mr. Kris, all of whom are the Substantial Shareholders and Executive Officers of the Enlarged Group.

In addition to being familiar with the Company's business, the aforementioned key management personnel have established strong working relationships with the Company's customers and suppliers. Further, the aforementioned key management personnel are instrumental in managing and ensuring that the various key functions of the Company such as sales, operations and administration are running smoothly. In addition, Mr. Mohamed Gani Mohamed Ansari, the Executive Director, and Chief Executive Officer of the Enlarged Group, is responsible for charting the strategic direction and future plans of the Enlarged Group. Although the Company has entered into service agreements and employment contracts with each of its key management personnel, the loss of these personnel, without suitable and timely replacement, or the inability to attract and retain other qualified and experienced personnel, will have an adverse impact on the Company's business, financial position, results of its operations and prospects.

The Company's results of operations may be adversely affected if it is unable to pass on any increases in its costs of operations to its customers

The Company's costs of operations include but are not limited to, NEA disposal fees, crane and wharfage charges, depreciation of its properties, plant and equipment, amortisation of right-of-use assets, diesel and petrol expenses, purchase of supplies, subcontracting costs paid to its recycling partners and employee benefits expenses.

Arising from the application of the Environmental and Public Health Act 1987 of Singapore which prohibits illegal dumping and the requirements of its subsidiary regulations, including the EPH(GWC)R, as well as applicable codes of practice, all non-recyclable waste collected that are incinerable must be disposed of at refuse incineration plants maintained and operated by NEA or such other authorised disposal facilities or refuse transfer station and all non-recyclable waste collected that are non-incinerable must be disposed of at a landfill. Disposal of collected waste at any unauthorised disposal facility is considered illegal dumping and punitive measures such as fines and forfeiture of vehicles used for the illegal dumping activities will be imposed by the authorities.

As at the Latest Practicable Date, there are a total of four (4) waste incineration plants in Singapore. The Tuas Incineration Plant and Tuas South Incineration Plant are operated by NEA, and the Senoko Waste-to-Energy Plant and Keppel Seghers Tuas Waste-to-Energy Plant are privately operated. All four (4) waste incineration plants set out above are regulated by NEA. NEA also operates a refuse transfer station in Singapore, known as the Tuas Marine Transfer Station.

Disposal of non-recyclable and incinerable waste at the aforementioned disposal facilities or the refuse transfer station requires payment of disposal fees to the NEA as prescribed under the Environmental Public Health (Public Cleansing) Regulations (Rg 3, Revised Edition 2000). Further, as at the Latest Practicable Date, there is only one landfill ground in Singapore known as the Semakau Landfill. Semakau Landfill is an offshore landfill ground operated by NEA and charges are being imposed by NEA for waste disposal at the Semakau Landfill. NEA imposes similar fees for the disposal of non-recyclable and non-incinerable waste at the Semakau Landfill.

As at the Latest Practicable Date, the incinerable waste collected by the Company are disposed at the incineration plants and/or the landfill ground as set out above. Disposal charges are calculated and paid to the NEA based on the weight of the waste disposed. The unit rate of disposal fees levied by NEA has increased, as of 1 January 2024, from S\$77.00 to S\$88.00 per tonne (inclusive of GST) for incinerable waste, and from S\$97.00 to S\$124.00 per tonne (inclusive of GST) for non-incinerable waste. Notwithstanding the recent increase in the unit rate of disposal fees levied by NEA, there is no certainty that they will not continue to be revised upwards in the future. Any increase in the unit rate of disposal fees prescribed in the Environmental Public Health (Public Cleansing) Regulations or any changes to NEA's landfill charges will consequently increase the Company's waste disposal costs. While the Company seeks to impute these costs in its pricing of its services, it may not be able to always do so due to the competitive nature of its business or any number of reasons beyond its control. If such costs cannot be passed on to the Company's customers through a commensurate increase in the price of the services, such cost increase will have an adverse impact on the results of operations of the Company.

The Company incurs crane and wharfage charges in its operations. While the crane and wharfage charges levied by Jurong Port have not increased since the last five (5) years from 2021, there is no certainty that they will not be revised upwards in the future. Any increase in the crane and wharfage charges levied by Jurong Port or otherwise will consequently increase the Company's costs of operations and may adversely affect its results of operations.

The Company also incurs subcontracting costs of engaging recycling partners in its operations for the collection, handling, and disposal of the particular types of waste which the Company is presently not licensed or permitted to collect, handle and dispose of. Any price increase imposed by the recycling partners, which cannot be passed on to the Company's customers, will have an adverse impact on the Company's costs of operations and may adversely affect its results of operations.

The Company's diesel and fuel charges are mainly subject to fluctuations in the market prices of diesel and petrol, whereby an increase in the prices of such fuel, which the Company is not able to pass on to its customers, will consequently increase the Company's costs of operations and may adversely affect its results of operations.

Employee benefits expenses include salaries, CPF contributions and foreign worker levies. Any general increase in salaries, employers' CPF contribution and, in particular, foreign workers' levy, will have an adverse impact on the Company's costs of operations and may in turn adversely affect its results of operations.

The Company is dependent on foreign labour

The waste management industry that the Company presently operates in is labour-intensive and the Company depends on foreign labour for its predominantly manual operations such as transportation and manual sorting of collected waste. As such, the Company is susceptible to any sudden withdrawal in the supply of foreign workers or changes in the costs of hiring such workers.

The supply of foreign workers in Singapore is largely dependent on the quotas imposed by MOM as well as the individual labour policies of the countries from which the foreign workers originate. In the event that there are any unfavourable changes in labour policies in these countries or a tightening of quota entitlements by MOM, the availability of foreign workers may be restricted further resulting in delay or disruptions in the Company's operations if the Company is unable to procure suitable and timely replacements of workers. This will in turn adversely affect the Company's business, financial position, results of operations and prospects. Further, any increase in competition for foreign workers, especially skilled workers, will also increase the general labour wages paid by the Company to its foreign workers, which will have an adverse impact on the Company's costs of operations and may in turn adversely affect its results of operations.

The Company's business is vulnerable to keen competition and its performance will depend on its ability to compete effectively against its competitors

The waste management industry in Singapore has relatively lower barriers of entry, notwithstanding that licences and permits are required to be obtained to collect specific classes of waste or to operate specific types of waste disposal facility. As such, the Company will face increasing competition if new players enter into the waste management industry. Such new players are not strictly limited to local players in Singapore, but also includes other waste management service providers in the neighboring ports of Malaysia and Indonesia. In particular, the Company services a niche market – the shipping and cruise market segments. Criteria considered by the Company's shipping and cruise customers in assessing potential waste management service providers would include responsiveness, industry experience, quality of service delivery, technical competence, and attractiveness of pricing.

Some of the Company's competitors may have or may develop greater financial and technical resources than the Company and possess the key competitive attributes as set out above, and thus respond more quickly to changes in customer requirements. There is no assurance that the Company will be able to continue to compete successfully against its present and future competitors. Increased competition may also force the Company to lower

its prices in its bid to maintain or expand its market share. In the event that the Company is not able to compete successfully against its competitors in the future, the Company's business, financial position, results of its operations and prospects may be materially and adversely affected.

The Company is required to comply with applicable laws and regulations

Arising from the operations of the Company, it is required to comply with laws and regulations applicable to, amongst others, port safety, workplace safety, employment of foreign workers, environment and road traffic. In the event that the Company fails to comply with any of the applicable laws and regulations, it may be subject to penalties imposed by the authorities which include, but are not limited to, being fined and/or issued with remedial or stop-work orders which may in turn adversely affect its business and results of operations.

The Company may be affected by accidents at their facilities

The Workplace Safety and Health Act 2006 of Singapore requires the Company to take reasonably practicable measures to ensure the safety and health of its employees and workers at its facilities and during the running of business operations and any contravention could result in a fine or other harsher penalties. In the event that any of the Kian Teck Facility or the Tuas Facility contravenes the requisite safety and health standards imposed by the regulatory authorities, penalties would be imposed, or the Company's work sites might be issued with partial or full stop-work orders.

Additionally, while the Company has put in place safety measures at its facilities, accidents may still occur. Such circumstances would disrupt the Company's operations and have an adverse impact on its business, financial position, and results of operations. Further, the Company may be subject to personal injury claims from its employees, workers or other persons involved in these accidents. Any significant claims which are not covered by the Company's insurance policies, or which are contested by the insurance companies may adversely affect the financial performance of the Company. In addition, any accidents resulting in significant damage to any installed machinery or equipment at the Kian Teck Facility and/or the Tuas Facility may require further capital expenditure to repair the damage or replace the damaged machinery or equipment entirely. To the extent that such expenditures are irrecoverable under the Company's insurance policies, the Company's business, financial position, results of its operations and prospects may be adversely affected.

The Company may require bank borrowings and/or equity fund raising to finance its expansion and improvement plans

As the Company continues to expand and improve its operations which may entail, amongst others, future purchases of fixed assets such as motor vehicles and specialised machineries, a sufficient level of funding may be required to finance the Company's expansion and improvement plans as and when required. Notwithstanding that the Company's operating cash flows and financing activities have in the past been sufficient to meet and/or service its debt repayment obligations, there is no assurance that it will be able to continue to do so in the future. In the event that the Company is unable to meet its debt repayment obligations, it may face the risk of foreclosure of its material assets such as the waste management facilities which have been mortgaged or pledged to the various banks and financial institutions to secure such credit facilities.

Further, in the event that the Company is not able to obtain financing on terms that are favourable, or at all, this will have an adverse effect on the Company's business, financial position, results of its operations and prospects.

Covenants in the Company's loan and financing agreements may limit its operational flexibility, and breaches of these covenants could adversely affect its financial condition

The Company's loans and financing agreements entered into with the banks and financial institutions contain provisions requiring the Company to take or refrain from taking certain actions. In addition, certain financing agreements require the Company to comply with financial covenants, amongst others, by maintaining various financial ratios or particular gearing levels. Certain of the Company's financing agreements contain restrictive or negative covenants and other prohibitions that may affect its ability to, amongst others, borrow, pay dividends, dispose of a substantial part of its assets, enter into contracts outside of the ordinary course of business, effect a change in shareholders and create security over assets.

These covenants may limit the Company's flexibility in its operations and breaches of these covenants may result in immediate default under the financing agreements. If the Company is unable to rectify the default, refinance its indebtedness or meet its repayment obligations, this will have a material adverse effect on its business, financial position, results of operations and prospects.

The Company's insurance coverage may not be adequate

The Company maintains public liability insurance, motor vehicle insurance, contractors' all risks insurance, machinery all risks insurance and insurance for claims for workmen's compensation under the Work Injury Compensation Act 2019 of Singapore. In addition, the Company has purchased medical insurance for its foreign workers and fire insurance for its Kian Teck Facility and Tuas Facility. However, no insurance can compensate all potential losses and there can be no assurance that the Company's existing insurance coverage will be adequate or that its insurers will pay a particular claim. The Company's insurance coverage is renewed on an annual basis and there is no assurance that it will be able to renew all of its existing insurance coverage or obtain new coverage on similar terms. There are also certain types of risks that are not covered by the Company's insurance policies, because they are either uninsurable or not economically insurable, including acts of war and acts of terrorism. In addition, the Company is not insured against loss of key personnel or business interruption. If such events were to occur, the Company might be liable for such loss and the Company's business, financial position, results of its operations and prospects might be adversely affected as a result.

The Company may face disruptions in its operations due to an outbreak of diseases among its personnel

An outbreak of Severe Acute Respiratory Syndrome, avian influenza, Influenza A (H1N1) virus, Coronavirus disease 2019 (COVID-19) and/or other communicable diseases, if uncontrolled, may affect the Company's operations, as well as the operations of its customers, recycling partners and suppliers. Any occurrence of a pandemic, an epidemic or outbreak of other disease amongst the Company's employees may have an adverse effect on the Company's business operations including its ability to deploy personnel for job assignments. For illustration purposes, such outbreaks could result in workers having to be quarantined, or regulators may impose stop-work measures, all of which could lead to manpower shortage and business interruption respectively. This will result in a delay in the delivery of services to the Company's customers, which may consequently lead to a damage to the Company's business reputation and claims from customers, loss of future business and affect the Company's ability to attract new customers. Accordingly, the Company's business, financial position, results of its operations and prospects may be adversely affected.

The Company may face uncertainties associated with the expansion of its business

The Company and its key management personnel may not have the relevant experience and expertise in the activities intended to be carried out at the Tuas Facility, namely the handling, treatment and/or recycling of other types of waste such as non-solid waste, plastic, and glass. The Company faces risks and difficulties associated with entry into any new business segments at the Tuas Facility, in which it has no prior track record. Such risks include failure to manage the operations and cost structure effectively, failure to achieve the expected results, level of revenue and margins. In addition, there is no assurance that the Company will be able to obtain the requisite licences to successfully execute its future plans. In the event that any of the foregoing materialises, the Company's business, financial position, results of its operations and prospects may be adversely affected.

Furthermore, in the event that additional capital expenditure needs to be incurred to efficiently and effectively undertake the Company's intended activities, the Company's financial position and results of operations may be adversely affected.

The Company is exposed to the credit risks of its customers

The Company's financial position and results of operations are dependent, to a certain extent, on the creditworthiness of its customers. If there are any unforeseen circumstances affecting its customers' ability or willingness to pay the Company, such as a decline in their business or a general economic downturn, the Company may experience payment delays or non-payment. In particular, the Company's customers are given credit terms of between thirty (30) to ninety (90) days (in line with the Company's credit policy) once they have been invoiced by the Company after the service has been provided, whilst certain suppliers such as the NEA and Jurong port are paid almost immediately when the Company is invoiced by the suppliers. As for the invoices issued by the recycling partners or other suppliers, the Company is offered credit terms of thirty (30) to sixty (60) days to settle the invoices.

Trade receivables are recorded by the Company for revenue that are uncollected but have been recognised in respect of a service provided to a customer. There is no assurance that the Company's past practice for the making of provisions for its trade receivables will not change in the future or that the provisions it has made will be sufficient to cover defaults in its trade receivables. The Company's liquidity and cash flows from operations may be materially and adversely affected if its receivable cycles or collection periods are lengthened significantly or if it encounters a material increase in defaults of payment or an increase in provisions for impairment of its receivables. Should these events occur, the Company may be required to obtain working capital from other sources, such as third-party financing or loans from banks and financial institutions, in order to maintain its daily operations and such financing may not be available to it on commercially acceptable terms, or at all.

In any of these events, the Company's business, financial position, results of its operations and prospects will be affected adversely.

The Company may be subject to litigation

The Company may be involved from time to time in material disputes with various parties in the ordinary course of its business such as its customers, suppliers, recycling partners, employees and/or ex-employees. These disputes may lead to legal and other proceedings, and may result in damage to the Company's reputation, substantial costs and diversion of its resources and management's attention. Any litigation brought against the Company by its customers or otherwise in the future in relation to its business could have a material adverse effect on the Company's business, financial position, results of its operations and prospects.

The Company will be subject to risks in relation to interest rate movements

The Company may from time to time take loans from financial institutions and/or banks to finance its day-to-day operations and expansion plans. Accordingly, fluctuations in interest rate movements may affect the Company's financial performance and cash flow. In particular, borrowings by the Company which bear interest at a floating rate will be exposed to changes in the interest rates. As at the Latest Practicable Date, approximately 74% of the total amount of the Company's loans from financial institutions and/or banks are based on a floating rate, which ranges from 5.01% to 8.88% per year. Unfavourable changes in the interest rates will affect the Company's interest income and interest expense from short-term deposits and other interest-bearing financial assets and liabilities dependent on the quoted interest rates. Further, increases in interest rates also increases the Company's cost of servicing these borrowings which could in turn lead to a material and adverse effect on the Company's financial position and results of operations.

The Company's business may be affected by adverse conditions in the global financial markets which may affect the Company's growth prospects and financial performance

The Company's business, financial position, results of operations and prospects may be materially affected by conditions in the financial markets and the economy in Singapore and elsewhere. Adverse political and socio-economic changes may have an impact on the health of the global economic and financial system and may affect global consumer sentiments. Such sentiments have precipitated an economic slowdown and recessionary pressures globally. In Singapore, concerns over, amongst others, increased unemployment, inflation, geopolitical issues and the availability and cost of credit have contributed to a reduction in liquidity levels, a general decline in lending activity by financial institutions, diminished expectations for the global economy and the markets in the near term, and declining business and consumer confidence. A global economic downturn can adversely affect the Company's revenue as the shipping industry is heavily reliant on global trade flows whereas the cruise industry could face a decline in travel volumes from holiday travellers in such situation. It could also affect the Company's ability to obtain short-term and long-term financing from the banks and financial institutions. Further, it could also result in an increase in the cost of the Company's credit facilities and a reduction in the amount of credit facilities currently available to the Company, and this may have an adverse effect on the Company's prospects, business, operations, and financial results.

The Group's financial performance is dependent on the counterparty's adherence to its contractual obligations

As the Group and the Company do not hold any collateral, the maximum exposure to credit risk for each class of financial instruments is the carrying amount of that class of financial instruments presented on the statements of financial position except for the corporate guarantees provided to a bank for a subsidiary's banking facilities utilised as at the end of the financial year. In the event the subsidiary has insufficient financial capabilities to meet its contractual cash flow obligation in the near future, there may be material losses incurred under the twelve (12) months expected credit loss model.

With regards to the trade receivables, in the event that there is a negative change in the credit quality of the trade receivable from the date credit was initially granted up to the end of the reporting period, there may be an adverse impact on the recoverability of a trade receivable.

With regards to the non-trade receivables, the Board of Directors takes into account the amount due from subsidiaries and information that it has available internally about these subsidiaries' past, current and expected operating performance and cash flow position. In the event that there is any default in the payment of this debt, there may be an adverse impact on the financial performance of the Group.

With regards to the cash and cash equivalents, cash and cash equivalents are deposited with reputable banks with minimum credit rating "A", based on Moody's credit ratings. In the event of non-performance by the counterparties, there may be an adverse impact on the credit losses of the Group.

Notwithstanding the strategies put in place, in the event that the counterparty defaults on its contractual obligations, this will have an adverse impact on the Group's financial performance.

The Group is subject to risk associated with the Group's difficulties in meeting their short term obligations

The Group and Company manage their debt maturity profile, operating cash flows and the availability of funding so as to ensure that all repayment and funding needs are met. As part of the overall prudent liquidity management, the Group and the Company maintain sufficient levels of cash and cash equivalents to meet their working capital requirements.

As the Group's operations are financed mainly through equity and bank borrowings, in the event that there are insufficient lines of credit, this may adversely impact the liquidity of the Group.

Risks relating to the Rights Issue, Rights Shares, "nil-paid" Rights and the Shares

The Undertaking Shareholders will have significant control over the Company, allowing them to influence the outcome of matters requiring the approval of Shareholders

Upon the approval of this Rights Issue, the Undertaking Shareholders will hold in aggregate approximately 85.09% of the Share Capital in the Minimum Scenario, and approximately 70.17% of the Share Capital in the Maximum Scenario. As a result, the Undertaking Shareholders will be able to exercise significant influence over the outcome of matters requiring the approval of shareholders (other than the approval of transactions for which it and its associates may be prohibited from voting) in a manner which may or may not be in the interests of other Shareholders, including, amongst others, the election of directors of the Company, the timing and payment of dividends, transactions such as the sale of all or substantially all of the Group's assets, the merger or consolidation with another entity, capital restructuring and business ventures.

The Undertaking Shareholders will also effectively have veto power with respect to any Shareholder action or approval requiring an ordinary resolution or a special resolution.

Such concentration of ownership will place the Undertaking Shareholders in a position to significantly affect corporate actions in a manner that could conflict with the interests of public Shareholders and may also have the effect of delaying, preventing, or deterring a change in control of the Company, which may otherwise have benefited the Shareholders.

The trading price of the Shares has been, and may continue to be, volatile

The trading price of the Shares have been, and may continue to be, subject to large fluctuations. The price of the Shares, including the Rights Shares, may increase or decrease in response to a number of events and factors, including:

- (a) quarterly variations in the Group's operating results;
- (b) changes in financial estimates and recommendations by securities analysts;
- (c) success or failure of the Group's management team in implementing business and growth strategies;
- (d) the gain or loss of an important business relationship or contract;
- (e) the operating and stock price performance of other companies in the industry(s) that the Group operates in;
- (f) developments affecting the Group, its customers, competitors or the industry(s) that the Group operates in;
- (g) changes in government regulations;
- (h) changes in general economic, political, financial, equity and credit market conditions;
- (i) changes in accounting policies;
- (j) negative publicity involving the Group or any Director or executive officer of the Group; and
- (k) other events or factors described in this Offer Information Statement.

This volatility may adversely affect the price of the Shares, including the Rights Shares, regardless of the Group's operating performance.

A fall in the price of the Shares could have a material adverse impact on the value of the "nil-paid" Rights and Rights Shares. The Group cannot assure investors that they will be able to sell the Rights Shares at a price equal to or greater than the Issue Price. Accordingly, holders of the Shares who are existing Shareholders or have acquired nil-paid Rights in the secondary market and/or subscribed to the Rights Shares, whether existing Shareholders or not, may suffer a loss.

The Issue Price of the Rights Shares is not an indication of the underlying value of the Shares

The Issue Price represents (i) a discount of approximately 50% to the volume weighted average price of S\$0.0500 per Share for trades done on the Catalist on 26 December 2023 (being the last trading day where there were shares traded immediately prior to the date of this announcement).

The Issue price does not bear a direct relationship to the book value of the Group's assets, past operations, cash flow, earnings, financial condition or other established criteria for value, and hence Shareholders should not consider the Issue Price to be any indication of the Share's underlying value.

The market price of the Shares on the SGX-ST (including the “nil-paid” Rights and the Rights Shares) could be subject to significant fluctuations. Any fluctuation may be due to and/or be in response to various factors some of which are beyond the Company’s control. Examples of such factors include but are not limited to: (i) quarterly variations in the Group’s operating results; (ii) changes in financial estimates and recommendations by securities analysts; (iii) success or failure of the Group’s management team in implementing business and growth strategies; (iv) the gain or loss of an important business relationship or contract; (v) the operating and stock price performance of other companies in the industry(s) that the Group operates in; (vi) developments affecting the Group, its customers, competitors or the industry(s) that the Group operates in; (vii) changes in government regulations; (viii) changes in general economic, political, financial, equity and credit market conditions; (ix) changes in accounting policies; (x) negative publicity involving the Group or any Director or executive officer of the Group; and (xi) other events or factors described in this Offer Information Statement.

Any of these events could result in a decline in the market price of the Shares (including the “nil-paid” Rights and the Rights Shares) during and after the Rights Issue. There is no assurance that the market price of the Rights Shares, upon or subsequent to the listing and quotation thereof on the Catalist of the SGX-ST, will remain at or above the Issue Price, or that the Rights Shares can be disposed of at or above the Issue Price.

Shareholders will suffer dilution of their percentage of ownership of the Shares if they do not or are not able to subscribe for their Rights Shares

As a result of the Rights Issue and the Undertakings, the collective shareholding interests of Shareholders (other than the Undertaking Shareholders) may be diluted from 29.83% to 14.91% under the Minimum Scenario assuming that the share capital of the Company as at the Record Date is the Existing Share Capital. Further details of the potential dilution are set out as follows:

<u>Before the Rights Issue Based on Existing Share Capital</u>	No. of Shares held	% of Existing Share Capital
Ms. Shitthi	55,416,666	49.12%
Mr. Martin	15,833,333	14.03%
Mr. Kris	7,916,666	7.02%
Other Shareholders	33,647,205	29.83%
Total	112,813,870	100.00%

<u>After the Rights Issue Based on Enlarged Share Capital</u>	Maximum Scenario		Minimum Scenario	
	No. of Shares held	% of Enlarged Share Capital	No. of Shares held	% of Enlarged Share Capital
Ms. Shitthi	110,833,332	49.12	134,386,376	59.56
Mr. Martin	31,666,666	14.03	32,941,650	14.60
Mr. Kris	15,833,332	7.02	24,652,509	10.93
Other Shareholders	67,294,410	29.83	33,647,205	14.91
Total	225,627,740	100.00%	225,627,740	100.00%

Shareholders may experience future dilution in the value of their Shares

The Group may need to raise additional funds in the future to finance the repayment of borrowings, expansion of new developments relating to the Group's operations and/or to finance future investments. If additional funds are raised through the issuance by the Company of new Shares other than on a pro rata basis to existing Shareholders, the percentage ownership of existing Shareholders may be reduced, and existing Shareholders may experience dilution in the value of their Shares.

An active trading market may not develop for the "nil-paid" Rights and, if a market does develop, the "nil-paid" Rights may be subject to greater price volatility than the Shares

A trading period has been set for the "nil-paid" Rights from 22 July 2024 at 9.00 a.m. to 30 July 2024 at 5.00 p.m. (the "**Rights Trading Period**"). The Group cannot assure Shareholders that an active trading market in the Rights on the SGX-ST will develop during the Rights Trading Period or that any over-the-counter trading market in the "nil-paid" Rights will develop. Even if an active market does develop, the trading price of the "nil-paid" Rights, which depends on the trading price of the Shares, may be volatile. In addition, the market price of the "nil-paid" Rights may not reflect their actual value.

The provisional allotments of shares for entitled shareholders

Entitlements to subscribe for the Rights Shares will be renounceable and are expected to be tradable on the Catalist of the SGX-ST over a period to be determined by the Directors in compliance with the Catalist Rules. Entitled Shareholders will be at liberty to accept in full or in part, decline or otherwise renounce or, in the case of Entitled Depositors (as defined in the Circular) only, trade (during the "nil-paid" rights trading period prescribed by the SGX-ST) their provisional allotments of Rights Shares and will be eligible to apply for additional Rights Shares ("**Excess Rights Shares**") in excess of their provisional allotments under the Rights Issue.

Provisional allotments of Rights Shares which are not taken up or allotted for any reason, be aggregated and allotted to satisfy excess applications for Rights Shares (if any) or disposed or otherwise dealt with in such manner as the Directors may, in their absolute discretion, deem fit in the best interests of the Company, subject to applicable laws and the Catalist Rules. For avoidance of doubt, there will not be any fractional entitlements arising from the Rights Issue.

Market and economic conditions may affect the market price and demand for the Shares

Movements in domestic and international securities markets, economic conditions, foreign exchange rates and interest rates may affect the market price and demand for the Shares.

Any future sales of the Shares by the Group's Substantial Shareholders and/or Directors could adversely affect its Share price

Any future sale of Shares by the Substantial Shareholders and/or Directors in the market can have a downward pressure on the price of the Shares. The sale of a significant amount of Shares in the market, or the perception that such sales may occur could materially and adversely affect the market price of its Shares. These factors could also affect the Group's ability to issue additional equity securities in future.

There is no assurance that the Shares will remain listed on the SGX-ST or that there will be a liquid market for the Shares

Although it is currently intended that the Shares will remain listed on the SGX-ST, there is no guarantee of the continued listing of the Shares. Active and liquid trading for securities generally result in lower volatilities in price and more efficient execution of buy and sell orders for investors. Generally, the liquidity of the market for a particular share is dependent on, amongst others, the size of the free float, the price of each board lot, institutional interests, the business prospects of the Group as well as the prevailing market sentiment. There is no assurance that the liquidity of the Shares or the volume of the Shares as traded on the SGX-ST may change or improve after the Rights Issue.

To the best of the Directors' knowledge and belief, the risk factors that are material to prospective investors and Entitled Shareholders in making an informed judgement on the Rights Issue (save for those which have already been disclosed to the general public) are set out above. Prospective investors and Shareholders should carefully consider and evaluate each of the risk factors and all other information contained in this Offer Information Statement before deciding whether to invest in the Shares and/or the Rights Shares.

- 1.3 If an Entitled Depositor wishes to accept his provisional allotment of Rights Securities specified in the ARE, in full or in part, and (if applicable) apply for Excess Rights Securities, he may do so by way of an Electronic Application or by completing and signing the relevant sections of the ARE. An Entitled Depositor should ensure that the ARE is accurately completed and signed, failing which the acceptance of the provisional allotment of Rights Securities and (if applicable) application for Excess Rights Securities may be rejected.

For and on behalf of the Company, CDP reserves the right to refuse to accept any acceptance(s) and (if applicable) Excess Application(s) if the ARE is not accurately completed and signed or if the “**free balance**” of the relevant applicant’s Securities Account is not credited with, or is credited with less than the relevant number of Rights Securities accepted as at the last time and date for acceptance, application and payment or for any other reason(s) whatsoever the acceptance and (if applicable) the Excess Application is in breach of the terms of the ARE or this Offer Information Statement, at CDP’s absolute discretion, and to return all monies received to the person(s) entitled thereto **BY CREDITING HIS/THEIR BANK ACCOUNT(S) WITH THE RELEVANT PARTICIPATING BANK** (if he/they accept and (if applicable) apply through an ATM of a Participating Bank or electronic service delivery networks (such as SGX Investor Portal) (“**Accepted Electronic Service**”) and the submission is unsuccessful) or **BY CREDITING DIRECTLY INTO HIS/THEIR DESIGNATED BANK ACCOUNT FOR SINGAPORE DOLLARS VIA CDP’S DIRECT CREDITING SERVICE**, as the case may be, (in each case) **AT HIS/THEIR OWN RISK**; in the event he/they are not subscribed to CDP’s Direct Crediting Service, any monies to be paid shall be credited to his/their Cash Ledger and subject to the same terms and conditions as Cash Distributions under the CDP Operation of Securities Account with

If acceptance and payment for the Rights Securities in the prescribed manner as set out in the ARE, the ARS or the PAL (as the case may be) and this Offer Information Statement is not received through an ATM of a Participating Bank by **9.30 p.m. on 5 August 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company) or through CDP via ARE/ARS form or an Accepted Electronic Service by **5.30 p.m. on 5 August 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company) from any Entitled Depositor or Purchaser, the provisional allotments of Rights Securities shall be deemed to have been declined and shall forthwith lapse and become void, and such provisional allotments not so accepted will be used to satisfy excess applications, if any, or otherwise dealt with in such manner as the Directors may, in their absolute discretion, deem fit. All monies received in connection therewith will be returned by CDP for and on behalf of the Company to the Entitled Depositors or the Purchasers, as the case may be, without interest or any share of revenue or other benefit arising therefrom, **BY CREDITING DIRECTLY INTO HIS/THEIR DESIGNATED BANK ACCOUNT FOR SINGAPORE DOLLARS VIA CDP'S DIRECT CREDITING SERVICE, AT HIS/THEIR OWN RISK**; in the event he/they are not subscribed to CDP's Direct Crediting Service, any monies to be paid shall be credited to his/their Cash Ledger and subject to the same terms and conditions as Cash Distributions under the CDP Operation of Securities Account with the Depository Terms and Conditions (Cash Ledger and Cash Distribution are as defined therein), as the case may be, (in each case) **AT HIS/THEIR OWN RISK** or in such other manner as he/they may have agreed with CDP for the payment of any cash distributions without interest or any share of revenue or other benefit arising therefrom (if he/they accept and (if applicable) apply through CDP).

IF AN ENTITLED DEPOSITOR OR PURCHASER (AS THE CASE MAY BE) IS IN ANY DOUBT AS TO THE ACTION HE SHOULD TAKE, HE SHOULD CONSULT HIS STOCKBROKER, BANK MANAGER, SOLICITOR, ACCOUNTANT OR OTHER PROFESSIONAL ADVISER IMMEDIATELY.

5.2 Appropriation

Without prejudice to paragraph 1.3 of this Appendix A, an Entitled Depositor should note that:

- (a) by accepting his provisional allotment of Rights Securities and/or applying for Excess Rights Securities, he acknowledges that, in the case where the amount of remittance payable to the Company in respect of his acceptance of the Rights Securities provisionally allotted to him and (if applicable) in respect of his application for Excess Rights Securities as per the instructions received by CDP whether under the ARE, the ARS and/or in any other application form for Rights Securities in relation to the Rights Issue differs from the amount actually received by CDP, the Company and CDP shall be authorised and entitled to determine and appropriate all amounts received by CDP on the Company's behalf for each application on its own whether under the ARE, the ARS and/or any other application form for Rights Securities in relation to the Rights Issue as follows: firstly, towards payment of all amounts payable in respect of his acceptance of the Rights Securities provisionally allotted to him; and secondly, (if applicable) towards payment of all amounts payable in respect of his application for Excess Rights Securities. The determination and appropriation by the Company and CDP shall be conclusive and binding;
- (b) if the Entitled Depositor has attached a remittance to the ARE, the ARS and/or any other application form for Rights Securities in relation to the Rights Issue made through CDP, he would have irrevocably authorised the Company and CDP, in applying the amounts payable for his acceptance of the Rights Securities and (if applicable) his application for Excess Rights Securities, to apply the amount of the remittance which is attached to the ARE, the ARS and/or any other application form for Rights Securities in relation to the Rights Issue made through CDP; and
- (c) in the event that the Entitled Depositor accepts the Rights Securities provisionally allotted to him by way of the ARE and/or the ARS and/or has applied for Excess Rights Securities by way of the ARE and also by way of Electronic Application(s), the Company and/or CDP shall be authorised and entitled to accept his instructions in whichever mode or combination as the Company and/or CDP may, in their/its absolute discretion, deem fit. Without prejudice to the generality of the foregoing, in such a case, the Entitled Depositor shall be deemed as having irrevocably authorised the Company and/or CDP to apply all amounts received whether under the ARE, the ARS and/or any other acceptance and/or application for Excess Rights Securities (including Electronic Application(s)) in whichever mode or combination as the Company and/or CDP may, in their/its absolute discretion, deem fit.

5.3 Availability of Excess Rights Securities

The Excess Rights Securities available for application are subject to the terms and conditions contained in the ARE, this Offer Information Statement and (if applicable) the Constitution of the Company. Applications for Excess Rights Securities will, at the Directors' absolute discretion, be satisfied from such Rights Securities as are not validly taken up by the Entitled Shareholders, the original allottee(s) or their respective renounee(s) or the Purchaser(s) of the provisional allotments of Rights Securities together with the aggregated fractional entitlements to the Rights Securities, any unsold "nil-paid" provisional allotment of Rights Securities (if any) of Foreign Shareholders and any Rights Securities that are otherwise not allotted for whatever reason in accordance with the terms and conditions contained in the ARE and this Offer Information Statement. In the event that applications are received by the Company for more Excess Rights Securities than are available, the Excess Rights Securities available will be allotted in such manner as the Directors may, in

their absolute discretion, deem fit in the interests of the Company. **CDP TAKES NO RESPONSIBILITY FOR ANY DECISION THAT THE DIRECTORS MAY MAKE.** In the allotment of Excess Rights Securities, preference will be given to the rounding of odd lots, and Substantial Shareholders and Directors who have control or influence over the Company in connection with the day-to-day affairs of the Company or the terms of the Rights Issue, or have representation (direct or through a nominee) on the Board will rank last in priority. The Company reserves the right to refuse any application for Excess Rights Securities, in whole or in part, without assigning any reason whatsoever. In the event that the number of Excess Rights Securities allotted to an Entitled Depositor is less than the number of Excess Rights Securities applied for, the Entitled Depositor shall be deemed to have accepted the number of Excess Rights Securities actually allotted to him.

If no Excess Rights Securities are allotted or if the number of Excess Rights Securities allotted is less than that applied for, the amount paid on application or the surplus application monies, as the case may be, will be refunded to such Entitled Depositors, without interest or any share of revenue or other benefit arising therefrom, within three (3) business days after the commencement of trading of the Rights Securities, by crediting their bank accounts with the relevant Participating Bank **AT THEIR OWN RISK** (if they had applied for Excess Rights Securities by way of an Electronic Application through an ATM of a Participating Bank or an Accepted Electronic Service), the receipt by such banks being a good discharge to the Company and CDP of their obligations, if any, thereunder, or **BY CREDITING DIRECTLY INTO HIS/THEIR DESIGNATED BANK ACCOUNT FOR SINGAPORE DOLLARS VIA CDP'S DIRECT CREDITING SERVICE**, as the case may be, (in each case) **AT HIS/THEIR OWN RISK**; in the event he/they are not subscribed to CDP's Direct Crediting Service, any monies to be paid shall be credited to his/their Cash Ledger and subject to the same terms and conditions as Cash Distributions under the CDP Operation of Securities Account with the Depository Terms and Conditions (Cash Ledger and Cash Distribution are as defined therein), as the case may be, (in each case) **AT HIS/THEIR OWN RISK** or in such other manner as he/they may have agreed with CDP for the payment of any cash distributions without interest or any share of revenue or other benefit arising therefrom (if he/they accept and (if applicable) apply through CDP or if they had applied for Excess Rights Securities through CDP). CDP will process such refunds within such timeline as shall be indicated by CDP from time to time, taking into account the processing time required by the relevant bank or service delivery network for the relevant payment method.

5.4 Deadlines

It should be particularly noted that unless:

- (a) acceptance of the provisional allotment of Rights Securities is made by the Entitled Depositors or the Purchasers (as the case may be) by way of an Electronic Application through an ATM of a Participating Bank and payment of the full amount payable for such Rights Securities is effected by **9.30 p.m. on 5 AUGUST 2024** or an Accepted Electronic Service and payment of the full amount payable for such Rights Securities is effected by **5.30 p.m. on 5 AUGUST 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company); or

- (c) acceptance is made by a Depository Agent via the SGX-SFG Service and payment in Singapore currency by way of telegraphic transfer by the Depository Agent/(s) for the Rights Securities is effected by **5.30 p.m. on 5 AUGUST 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company),

the provisional allotment of Rights Securities will be deemed to have been declined and shall forthwith lapse and become void and cease to be capable of acceptance.

All monies received in connection therewith will be returned to the Entitled Depositors or the Purchasers (as the case may be) without interest or any share of revenue or other benefit arising therefrom **BY CREDITING DIRECTLY INTO HIS/THEIR DESIGNATED BANK ACCOUNT FOR SINGAPORE DOLLARS VIA CDP'S DIRECT CREDITING SERVICE**, as the case may be, (in each case) **AT HIS/THEIR OWN RISK**; in the event he/they are not subscribed to CDP's Direct Crediting Service, any monies to be paid shall be credited to his/their Cash Ledger and subject to the same terms and conditions as Cash Distributions under the CDP Operation of Securities Account with the Depository Terms and Conditions (Cash Ledger and Cash Distribution are as defined therein), as the case may be, (in each case) **AT HIS/THEIR OWN RISK** or in such other manner as he/they may have agreed with CDP for the payment of any cash distributions without interest or any share of revenue or other benefit arising therefrom (if he/they accept and (if applicable) apply through CDP). CDP will process such refunds within such timeline as shall be indicated by CDP from time to time, taking into account the processing time required by the relevant bank or service delivery network for the relevant payment method.

ACCEPTANCES AND/OR APPLICATIONS ACCOMPANIED BY ANY OTHER FORMS OF PAYMENT (INCLUDING THE USE OF A PERSONAL CHEQUE, POSTAL ORDER OR MONEY ORDER ISSUED BY A POST OFFICE IN SINGAPORE) WILL NOT BE ACCEPTED.

ADDITIONAL TERMS AND CONDITIONS FOR ELECTRONIC APPLICATION THROUGH AN ATM OF A PARTICIPATING BANK

The procedures for Electronic Applications at ATMs of the Participating Bank are set out on the ATM screens of the relevant Participating Bank (the “**Steps**”). Please read carefully the terms and conditions of this Offer Information Statement, the Steps and the terms and conditions for Electronic Applications set out below before making an Electronic Application. Any Electronic Application which does not strictly conform to the instructions set out on the screens of the ATM through which the Electronic Application is made will be rejected.

Any reference to the “**Applicant**” in the terms and conditions for Electronic Applications and the Steps shall mean the Entitled Depositor or his renounee or the purchaser who accepts the provisional allotment of Rights Shares who accepts or (as the case may be) applies for the Rights Shares and (if applicable) Excess Rights Shares through an ATM of a Participating Bank. An Applicant must have an existing bank account with and be an ATM cardholder of the Participating Bank before he can make an Electronic Application through an ATM of that Participating Bank.

The actions that the Applicant must take at an ATM of the Participating Bank are set out on the ATM screens of the Participating Bank. Upon the completion of his Electronic Application transaction, the Applicant will receive an ATM transaction slip (“**Transaction Record**”), confirming the details of his Electronic Application. The Transaction Record is for retention by the Applicant and should not be submitted with any ARE and/or ARS.

An Applicant, including one who has a joint bank account with a Participating Bank, must ensure that he enters his own Securities Account number when using the ATM Card issued to him in his own name. Using his own Securities Account number with an ATM Card which is not issued to him in his own name will render his acceptance or (as the case may be) application liable to be rejected.

All references to “Rights Issue” and “Rights Application” on the ATM screens of the Participating Bank shall mean the offer of Rights Shares under the Rights Issue and the acceptance of provisional allotment of Rights Shares and (if applicable) the application for Excess Rights Shares, respectively. All references to “Document” on the ATM screens of the Participating Bank shall mean this Offer Information Statement.

For CPFIS Members, SRS Investors and investors who hold Shares through finance companies or Depository Agents, acceptances of their provisional allotments of Rights Shares and (if applicable) applications for Excess Rights Shares must be done through their respective approved CPF agent banks with whom they hold their CPF Investment Accounts, their respective SRS Approved Banks with whom they hold their SRS accounts, their respective finance companies and/or Depository Agents (as the case may be). The aforementioned persons, where applicable, will receive notification letter(s) from their respective approved CPF agent banks with whom they hold their CPF Investment Accounts, their respective SRS Approved Banks with whom they hold their SRS accounts and their respective finance companies and/or Depository Agents (as the case may be), and should refer to such notification letter(s) for details of the last date and time to submit acceptances of their provisional allotments of Rights Shares and (if applicable) applications for Excess Rights Shares to their respective approved CPF agent banks with whom they hold their CPF Investment Accounts, their respective SRS Approved Banks with whom they hold their SRS accounts and their respective finance companies. Such persons are advised to provide their respective finance companies and/or Depository Agents (as the case may be) or relevant banks, with the appropriate instructions no later than the deadlines set by such intermediaries in order for such intermediaries to make the relevant acceptances and (if applicable) applications for Excess Rights Shares on their behalf by the Closing Date.

ANY ACCEPTANCE AND (IF APPLICABLE) APPLICATION MADE DIRECTLY BY THE AFOREMENTIONED PERSONS THROUGH CDP, ELECTRONIC APPLICATIONS AT ATMS OF THE PARTICIPATING BANK, THE SHARE REGISTRAR AND/OR THE COMPANY WILL BE REJECTED. SRS INVESTORS AND INVESTORS WHO HOLD SHARES THROUGH FINANCE COMPANIES AND/OR DEPOSITORY AGENTS AND CPFIS MEMBERS SHOULD REFER TO THE SECTION ENTITLED “IMPORTANT NOTICE TO CPFIS MEMBERS, SRS MEMBERS AND INVESTORS WHO HOLD SHARES THROUGH A FINANCE COMPANY AND/OR DEPOSITORY AGENT” OF THIS OFFER INFORMATION STATEMENT FOR IMPORTANT DETAILS RELATING TO THE OFFER PROCEDURE FOR THEM.

For renounees of Entitled Depositors who hold Shares, or purchasers whose purchases are settled, through finance companies, acceptance of the Rights Shares represented by the provisional allotment of Rights Shares renounced or purchased must be done through their respective finance companies. Such renounees and purchasers will receive notification letter(s) from their respective finance companies, and should refer to such notification letter(s) for details of the last date and time to submit acceptances of the provisional allotments of Rights Shares to their respective finance companies. Such renounees or purchasers are advised to provide their respective finance companies or Depository Agents, as the case may be, with the appropriate instructions early in order for such intermediaries to make the relevant acceptances on their behalf by the Closing Date.

ANY ACCEPTANCE OF THE RIGHTS SHARES AND (IF APPLICABLE) APPLICATION FOR EXCESS RIGHTS SHARES MADE DIRECTLY BY SUCH RENOUNCEES AND PURCHASERS THROUGH CDP, ELECTRONIC APPLICATIONS AT ATMS OF THE PARTICIPATING BANK, ACCEPTED ELECTRONIC SERVICES, THE SHARE REGISTRAR AND/OR THE COMPANY WILL BE REJECTED.

AN ELECTRONIC APPLICANT, INCLUDING ONE WHO HAS A JOINT BANK ACCOUNT WITH THE PARTICIPATING BANK, MUST ENSURE THAT HE ENTERS HIS OWN SECURITIES ACCOUNT NUMBER WHEN USING THE ATM CARD ISSUED TO HIM IN HIS OWN NAME. USING HIS OWN SECURITIES ACCOUNT NUMBER WITH AN ATM CARD WHICH IS NOT ISSUED TO HIM IN HIS OWN NAME WILL RENDER HIS ACCEPTANCE OR (AS THE CASE MAY BE) APPLICATION LIABLE TO BE REJECTED.

The Electronic Application shall be made on, and subject to, the terms and conditions of this Offer Information Statement including, but not limited to, the terms and conditions appearing below: –

- (1) In connection with his Electronic Application for the Rights Shares, the Applicant is required to confirm statements to the following effect in the course of activating the ATM for his Electronic Application:–
 - (a) **that he has received a copy of this Offer Information Statement (through electronic dissemination) and has read, understood and agreed to all the terms and conditions of acceptance of his provisional allotment of Rights Shares and (as the case may be) application for the Excess Rights Shares under the Rights Issue and this Offer Information Statement prior to effecting the Electronic Application and agrees to be bound by the same; and**
 - (b) **that he consents and authorises CDP to give, provide, disclose, divulge or reveal information pertaining to his Securities Account maintained in CDP’s record, including, without limitation, his name, NRIC/passport number, address, nationality, Securities Account number, the number of Shares standing to the credit of his Securities Account, his provisional allotment of Rights Shares, his acceptance and (if applicable) application for Excess Rights Shares and any other information and application details (the “Relevant Particulars”) from his**

account with the Participating Bank to the Share Registrar, CDP, the SGX-ST, the Company and any other relevant parties as CDP may deem fit for the purpose of the Rights Issue and his acceptance and (if applicable) excess application (the “Relevant Parties”).

His acceptance of the whole or part of his provisional allotment of Rights Shares and (if applicable) application for Excess Rights Shares will not be successfully completed and cannot be recorded as a completed transaction in the ATM unless he presses the “**Enter**” or “**OK**” or “**Confirm**” or “**Yes**” key, as the case may be. By doing so, the Applicant shall be treated as signifying his confirmation of each of the two (2) statements above. In respect of statement 1(b) above, his confirmation, by pressing the “**Enter**” or “**OK**” or “**Confirm**” or “**Yes**” key, as the case may be, shall signify and shall be treated as his written permission, given in accordance with the relevant laws of Singapore including Section 47(2) and the Third Schedule of the Banking Act 1970 of Singapore, to the disclosure by the relevant Participating Bank of the Relevant Particulars of his account with the relevant Participating Bank to the Relevant Parties.

- (2) An Applicant may make an Electronic Application at an ATM of any Participating Bank for the Rights Shares using cash only by authorising the relevant Participating Bank to deduct the full amount payable from his account with such Participating Bank.
- (3) The Applicant irrevocably agrees and undertakes to subscribe for and to accept up to the aggregate of the number of Rights Shares provisionally allotted and Excess Rights Shares applied for as stated on the Transaction Record or the number of provisionally allotted Rights Shares standing to the credit of the “**free balance**” of his Securities Account as at the Closing Date (whichever is the lesser number). In the event that the Company decides to allot any lesser number of Excess Rights Shares or not to allot any number of Excess Rights Shares to the Applicant, the Applicant agrees to accept the decision as final and binding.
- (4) If the Applicant’s Electronic Application through an ATM of the Participating Bank is successful, his confirmation (by his action of pressing the “**Enter**” or “**OK**” or “**Confirm**” or “**Yes**” key on the ATM) of the number of Rights Shares accepted and/or Excess Rights Shares applied for shall signify and shall be treated as his acceptance of the number of Rights Shares accepted and/or Excess Rights Shares applied for that may be allotted to him.
- (5) In the event that the Applicant accepts his provisional allotment of the Rights Shares both by way of ARE and/or the ARS (as the case may be) and/or by way of an Electronic Application through an ATM of a Participating Bank, the Company and/or CDP shall be authorised and entitled to accept the Applicant’s instructions in whichever mode or a combination thereof as the Company and/or CDP may, in their/its absolute discretion, deem fit. In determining the number of Rights Shares which the Applicant has validly given instructions to accept, the Applicant shall be deemed to have irrevocably given instructions to accept the lesser of the number of provisionally allotted Rights Shares which are standing to the credit of the “**free balance**” of his Securities Account as at the Closing Date and the aggregate number of Rights Shares which have been accepted by the Applicant by way of the ARE and/or the ARS (as the case may be) and by Electronic Application through an ATM. The Company and/or CDP, in determining the number of Rights Shares, which the Applicant has validly given instructions to accept, shall be authorised and entitled to have regard to the aggregate amount of payment received for the acceptance of Rights Shares, whether by way of Cashier’s Order or Banker’s Draft in Singapore currency drawn on a bank in Singapore accompanying the ARE and/or the ARS (as the case may be), or by way of acceptance through Electronic Application through the ATM of a Participating Bank, which the Applicant has authorised or is deemed to have authorised to be applied towards the payment in respect of the Applicant’s acceptance.

- (6) If applicable, in the event that the Applicant applies for Excess Rights Shares both by way of the ARE and/or by way of Electronic Application through the ATM of a Participating Bank, the Company and/or CDP shall be authorised and entitled to accept the Applicant's instructions in whichever mode or a combination thereof as the Company and/or CDP may, in their/its absolute discretion, deem fit. In determining the number of Excess Rights Shares which the Applicant has validly given instructions for the application thereof, the Applicant shall be deemed to have irrevocably given instructions to apply for and agreed to accept such number of Excess Rights Shares not exceeding the aggregate number of Excess Rights Shares for which he has applied by way of the ARE and by way of Electronic Application through an ATM of a Participating Bank. The Company and/or CDP, in determining the number of Excess Rights Shares which the Applicant has given valid instructions for the application of, shall be authorised and entitled to have regard to the aggregate amount of payment received for the application of the Excess Rights Shares, whether by way of Cashier's Order or Banker's Draft in Singapore currency drawn on a bank in Singapore accompanying the ARE or by way of Electronic Application through an ATM of a Participating Bank, which the Applicant has authorised or is deemed to have authorised to be applied towards the payment in respect of the Applicant's application.

 - (c) return or refund (without interest or any share of revenue or other benefit arising therefrom) the balance of the application monies, should his Electronic Application for Excess Rights Shares be accepted in part only, by automatically crediting the Applicant's bank account with his Participating Bank with the relevant amount within fourteen (14) Market Days after the Closing Date.
- (8) **BY MAKING AN ELECTRONIC APPLICATION THROUGH AN ATM OF A PARTICIPATING BANK, THE APPLICANT CONFIRMS THAT HE IS NOT ACCEPTING/APPLYING FOR THE RIGHTS SHARES AS NOMINEE OF ANY OTHER PERSON.**
- (9) The Applicant irrevocably agrees and acknowledges that his Electronic Application is subject to risks of electrical, electronic, technical and computer-related faults and breakdowns, fires, acts of God, mistakes, losses and theft (in each case whether or not within the control of the Company, CDP, the Participating Bank and/or the Share Registrar), and any other events beyond the control of the Company, CDP, the Participating Bank and/or the Share Registrar and if, in any such event, the Company, CDP, the Participating Bank and/or the Share Registrar do not record or receive the Applicant's Electronic Application through an ATM of the Participating Bank by **9.30 p.m. on 5 August 2024 (or such other time(s) and or date(s) as may announce from time to time by or on behalf of the Company)**, or data relating to the Applicant's Electronic Application or such data or the tape containing such data is lost, corrupted, destroyed or not otherwise accessible, whether wholly or partially for whatever reason, the Applicant shall be deemed not to have

made an Electronic Application and the Applicant shall have no claim whatsoever against the Company, the Directors, CDP, the Participating Bank and/or the Share Registrar and their respective officers for any purported acceptance of the Rights Shares and (if applicable) Excess Rights Shares applied for or for any compensation, loss or damage in connection therewith or in relation thereto.

The provisional allotments of the Rights Shares and application for Excess Rights Shares are governed by the terms and conditions of this Offer Information Statement, (if applicable) the Constitution of the Company and the instructions contained in the PAL. The number of Rights Shares provisionally allotted to Entitled Scripholders is indicated in the PAL (for the avoidance of doubt, there shall be no fractional entitlements). Entitled Scripholders may accept their provisional allotments of Rights Shares in whole or in part, and are eligible to apply for Rights Shares in excess of their entitlements under the Rights Issue.

Full instructions for the acceptance of and payment for the Rights Shares provisionally allotted to Entitled Scripholders and the procedures to be adopted should they wish to renounce, transfer or split their provisional allotments are set out in this Offer Information Statement and the PAL.

THE FULL AMOUNT PAYABLE FOR THE RELEVANT NUMBER OF RIGHTS SHARES ACCEPTED/APPLIED FOR WILL BE ROUNDED UP TO THE NEAREST WHOLE CENT, IF APPLICABLE.

With regard to any application which does not conform strictly to the instructions set out under this Offer Information Statement, the ARE, the ARS, the PAL, (if applicable) the Constitution of the Company and/or any other application form for the Rights Shares in relation to the Rights Issue or with the terms and conditions of this Offer Information Statement, or in the case of an application by the ARE, the ARS, the PAL and/or any other application form for the Rights Shares and/or Excess Rights Shares in relation to the Rights Issue is illegible, incomplete, incorrectly completed or which is accompanied by an improperly or insufficiently drawn remittance, the Company and/or the Share Registrar may, at their/its absolute discretion, reject or treat as invalid any such application, acceptance, payment or present for payment or other processes of remittances at any time after receipt in such manner as it may deem fit.

The Company and/or the Share Registrar shall be entitled to process each application submitted for the acceptance of the provisional allotment of Rights Shares, and where applicable, application of Excess Rights Shares in relation to the Rights Issue and the payment received in relation thereto, pursuant to such application, by an Entitled Scripholder or a renounee, on its own, without regard to any other application and payment that may be submitted by the same Entitled Scripholder or renounee. For the avoidance of doubt, insufficient payment for an application may render the application invalid.

Evidence of payment (or overpayment) in other applications shall not constitute, or be construed as, an affirmation of such invalid application and (if applicable) application for Excess Rights Shares.

Entitled Scripholders who intend to trade any part of their provisional allotments of Rights Shares on the SGX-ST should note that all dealings in, and transactions of, the provisional allotments of Rights Shares through the SGX-ST will be effected under the book-entry (scripless) settlement system. Accordingly, the PALs will not be valid for delivery pursuant to trades done on the SGX-ST.

Unless expressly provided to the contrary in this Offer Information Statement and/or PAL, a person who is not a party to any contract made pursuant to this Offer Information Statement and/or PAL has no rights under the Contracts (Rights of Third Parties) Act 2001 of Singapore, to enforce any term of such contracts. Notwithstanding any term contained herein, the consent of any third party is not required for any subsequent agreement by the parties hereto to amend or vary (including any release or compromise of any liability) or terminate such contracts. Where third parties are conferred rights under such contracts, those rights are not assignable or transferable.

2. FORM OF ACCEPTANCE (FORM A)

Entitled Scripholders who wish to accept their entire provisional allotment of Rights Shares or to accept any part of it and decline the balance, should complete and sign the Form of Acceptance (Form A) for the number of Rights Shares which they wish to accept and forward at the sender's own risk, the PAL in its entirety, duly completed and signed, together with a single remittance for the payment in the prescribed manner to **SHANAYA LIMITED C/O BOARDROOM CORPORATE & ADVISORY SERVICES PRIVATE LIMITED, 1 HARBOURFRONT AVENUE, KEPPEL BAY TOWER #14-07, SINGAPORE 098632** so as to reach the Share Registrar not later than **5.30 p.m. on 5 August 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or behalf of the Company).

If no remittance is attached or the remittance attached is less than the full amount payable for the provisional allotment of Rights Shares accepted by the Entitled Scripholder and (if applicable) the Excess Rights Shares applied for by the Entitled Scripholder, the attention of the Entitled Scripholder is drawn to Paragraph 2 of this Appendix which sets out the circumstances and manner in which the Company and/or the Share Registrar shall be entitled to determine the number of Rights Shares which the Entitled Scripholder has given instructions to accept.

An Entitled Scripholder should note that by accepting his provisional allotment of Rights Shares, he acknowledges that, the Company and/or the Share Registrar, in determining the number of Rights Shares which the Entitled Scripholder has given instructions to accept, shall be authorised and entitled to have regard to the aggregate amount of payment received for the acceptance of the Rights Shares, whether by way of Cashier's Order or Banker's Draft in Singapore currency drawn on a bank in Singapore.

3. REQUEST FOR SPLITTING (FORM B), FORM OF RENUNCIATION (FORM C) AND FORM OF NOMINATION (FORM D)

Entitled Scripholders who wish to accept a portion of their provisional allotments of Rights Shares and renounce the balance of their provisional allotments of Rights Shares, or who wish to renounce all or part of their provisional allotments of Rights Shares in favour of more than one person, should first, using the Request for Splitting (Form B), request to have their provisional allotments of Rights Shares under the PAL split into separate PALs (“**Split Letters**”) according to their requirements. Split Letters will then be issued to Entitled Scripholders in accordance with their request. No Split Letters will be issued to Entitled Scripholders if Form B (together with the PAL in its entirety) is received after **5.00 p.m. on 30 July 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company).

The Company reserves the right to reject any request for Split Letters if, in the opinion of the Directors, the Rights Shares requested for in the Split Letters are in unreasonable denominations. The surrender of the PAL purported to be signed by an Entitled Scripholder shall be conclusive evidence in favour of the Company, the Share Registrar and any other person involved in the Rights Issue of the title of the person(s) lodging it, or on whose behalf it is lodged, to deal with the same and to receive Split Letter(s) and to have credited to that person’s Securities Account the Rights Shares allotted to him or, if relevant, to receive physical share certificate(s) and/or to receive any statement from CDP and/or refund of acceptance and (if applicable) application monies. Instructions relating to acceptance, payment, renunciation, nomination and consolidation set out in the PAL shall apply to Split Letters received consequent upon the original provisional allotment of Rights Shares being split.

The Split Letters representing the number of Rights Shares which Entitled Scripholders intend to renounce may be renounced by completing and signing the Form of Renunciation (Form C) before delivery to the renounee. Entitled Scripholders should complete Form A of the Split Letter(s) representing that part of their provisional allotments of Rights Shares they intend to accept, if any, and forward the said Split Letter(s) together with the remittance for the payment in the manner hereinafter prescribed by post at their own risk in the enclosed self-addressed envelope provided, to **SHANAYA LIMITED C/O BOARDROOM CORPORATE & ADVISORY SERVICES PRIVATE LIMITED, 1 HARBOURFRONT AVENUE, KEPPEL BAY TOWER #14-07, SINGAPORE 098632**, so as to arrive not later than **5.30 p.m. on 5 August 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company).

Entitled Scripholders who wish to renounce their entire provisional allotments of Rights Shares in favour of one person, or renounce any part of it in favour of one person and decline the balance, should complete Form C for the number of provisional allotments of Rights Shares which they wish to renounce and deliver the PAL in its entirety to the renounee as soon as possible. The last time and date for acceptance of the provisional allotments of Rights Shares and payment for the Rights Shares by the renounee is **at 5.30 p.m. on 5 August 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company).

The renouncee(s) should complete and sign the Form of Nomination (Form D) and forward Form D, together with the PAL in its entirety, and the remittance for the payment in the prescribed manner by post at his/their own risk, in the enclosed self-addressed envelope provided, to **SHANAYA LIMITED C/O BOARDROOM CORPORATE & ADVISORY SERVICES PRIVATE LIMITED, 1 HARBOURFRONT AVENUE, KEPPEL BAY TOWER #14-07, SINGAPORE 098632**, so as to arrive not later than **5.30 p.m. on 5 August 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company).

Each Entitled Scripholder may consolidate the Right Shares provisionally allotted in the PAL together with those comprised in any PALs and/or Split Letters renounced in his favour by completing and signing Form A and the Consolidated Listing Form in Form D of the PAL and attaching thereto all the said renounced PALs and/or Split Letters, each duly completed and signed and with the serial number of the Principal PAL (as defined hereinafter) stated on each of them.

A renouncee who is not an Entitled Scripholder and who wishes to consolidate the provisional allotments of Right Shares comprised in several renounced PALs and/or Split Letters in one name only or in the name of a joint Securities Account should complete the Consolidated Listing Form in Form D of only one PAL or Split Letter (the "**Principal PAL**") by entering therein details of the renounced PALs and/or the Split Letters and attaching thereto all the said renounced PALs and/or Split Letters, each duly completed and signed, and with the serial number of the Principal PAL stated on each of them.

ALL THE RENOUNCED PALS AND SPLIT LETTERS, EACH DULY COMPLETED AND SIGNED, MUST BE ATTACHED TO FORM A OR FORM D (AS THE CASE MAY BE).

Form D together with PALs in its entirety, duly completed and signed, together with payment in the prescribed manner, are to reach **SHANAYA LIMITED C/O BOARDROOM CORPORATE & ADVISORY SERVICES PRIVATE LIMITED, 1 HARBOURFRONT AVENUE, KEPPEL BAY TOWER #14-07, SINGAPORE 098632**, so as to arrive not later than **5.30 p.m. on 5 August 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company).

4. PAYMENT

Payment in relation to the PALs must be made in Singapore currency in the form of a Cashier's Order or Banker's Draft drawn on a bank in Singapore and made payable to "**SHANAYA LIMITED RIGHTS ISSUE ACCOUNT**" and crossed "**NOT NEGOTIABLE, A/C PAYEE ONLY**" with the name and address of the Entitled Scripholder or acceptor clearly written in block letters on the reverse side of the Cashier's Order or Banker's Draft. The completed and signed PAL and remittance should be addressed and forwarded, by post at the sender's own risk in the enclosed self-addressed envelope provided, to **SHANAYA LIMITED C/O BOARDROOM CORPORATE & ADVISORY SERVICES PRIVATE LIMITED, 1 HARBOURFRONT AVENUE, KEPPEL BAY TOWER #14-07, SINGAPORE 098632** so as to arrive not later than **5.30 p.m. on 5 August 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company). **NO OTHER FORM OF PAYMENT (INCLUDING PERSONAL CHEQUES AND THE USE OF POSTAL ORDER OR MONEY ORDER ISSUED BY A POST OFFICE IN SINGAPORE) WILL BE ACCEPTED.**

If acceptance and (if applicable) excess application and payment in the prescribed manner as set out in this Offer Information Statement and in the PAL is not received by **5.30 p.m. on 5 August 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company), the provisional allotments of Rights Shares will be deemed to have been declined and will forthwith lapse and become void and cease to be capable of acceptance, and such provisional allotments not so accepted will be used to satisfy excess applications, if any, or disposed of or dealt with in such manner as the Directors may, in their absolute discretion, deem fit in the interests of the Company. The Company will return or refund all unsuccessful acceptance and (if applicable) application monies received in connection therewith by means of a crossed cheque drawn on a bank in Singapore and sent **BY ORDINARY POST** and at the risk of the Entitled Scripholders or their renounee(s), as the case may be, without interest or any share of revenue or benefit arising therefrom, within fourteen (14) days after the Closing Date.

5. APPLICATION FOR EXCESS RIGHTS SHARES (FORM E)

Excess Rights Shares Application Form (Form E) contains full instructions with regard to the application for Excess Rights Shares, acceptable forms of payment and the procedures to be followed if you wish to apply for Excess Rights Shares.

Entitled Scripholders who wish to apply for Excess Rights Shares in addition to those which have been provisionally allotted to them may do so by completing and signing the Excess Rights Shares Application Form (Form E) and forwarding it together with the PAL and a **SEPARATE REMITTANCE** for the full amount payable in respect of the Excess Rights Shares applied for in the form and manner set out herein, by post at their own risk in the enclosed self-addressed envelope provided, to **SHANAYA LIMITED C/O BOARDROOM CORPORATE & ADVISORY SERVICES PRIVATE LIMITED, 1 HARBOURFRONT AVENUE, KEPPEL BAY TOWER #14-07, SINGAPORE 098632** so as to arrive not later than **5.30 p.m. on 5 August 2024** (or such other time(s) and/or date(s) as may be announced from time to time by or on behalf of the Company). **NO OTHER FORM OF PAYMENT (INCLUDING PERSONAL CHEQUES AND THE USE OF POSTAL ORDER OR MONEY ORDER ISSUED BY A POST OFFICE IN SINGAPORE) WILL BE ACCEPTED.**

FORM E IS NOT TRANSFERABLE AND MAY ONLY BE USED BY THE ENTITLED SCRIPHOLDERS NAMED THEREIN.

The Excess Rights Shares available for application are subject to the terms and conditions contained in the PAL, Form E, this Offer Information Statement and (if applicable) the Constitution of the Company. Applications for Excess Rights Shares will, at the Directors' absolute discretion, be satisfied from such Rights Shares as are not validly taken up by the Entitled Shareholders and the original allottee(s) or their respective renounee(s) or the purchaser(s) of the provisional allotments of Rights Shares, any unsold "**nil-paid**" provisional allotments of Rights Shares (if any) of Foreign Shareholders and any Rights Shares that are otherwise not allotted for whatever reason in accordance with the terms and conditions contained in the PAL, Form E, this Offer Information Statement and (if applicable) the Constitution of the Company and/or any other application form for the Rights Shares. In the event that applications are received by the Company for more Excess Rights Shares than are available, the Excess Rights Shares available will be allotted in such manner as the Directors may, in their absolute discretion, deem fit in the interests of the Company. In the allotment of Excess Rights Shares, preference will be given to Shareholders for the rounding of odd lots, and Substantial Shareholders and Directors will rank last in priority. The Company reserves the right to refuse or reject, in whole or in part, any application for Excess Rights Shares without assigning any reason whatsoever.

In the event that the number of Excess Rights Shares allotted to an applicant is less than the number of Excess Rights Shares applied for, such applicant shall be deemed to have accepted the number of Excess Rights Shares actually allotted to him. If no Excess Rights Shares are allotted to Entitled Scripholders or if the number of Excess Rights Shares allotted to them is less than that applied for, the amount paid on application or the surplus application monies, as the case may be, will be returned or refunded to them by the Company without interest or any share of revenue or other benefit arising therefrom within fourteen (14) days after the Closing Date, by means of a crossed cheque drawn on a bank in Singapore and sent **BY ORDINARY POST** at their own risk to their mailing addresses as maintained with the Share Registrar.

6. GENERAL

No acknowledgements or receipts will be issued in respect of any acceptances, payments, remittances or applications.

Entitled Scripholders who are in doubt as to the action they should take should consult their stockbroker, bank manager, solicitor, accountant or other professional adviser immediately.

Upon the listing and quotation on the Catalist of the SGX-ST, the Rights Shares, when issued, will be traded under the book-entry (scripless) settlement system. All dealings in and transactions (including transfers) of the Rights Shares effected through the SGX-ST and/or CDP shall be made in accordance with CDP's "**Terms and Conditions for Operation of Securities Account with The Central Depository (Pte) Limited**", as the same may be amended from time to time. Copies of the above are available from CDP.

Entitled Scripholders and their renounees who wish to accept the Rights Shares provisionally allotted to them and (if applicable) apply for Excess Rights Shares, and who wish to trade the Rights Shares issued to them on the SGX-ST under the book-entry (scripless) settlement system, should open and maintain Securities Accounts with CDP in their own names if they do not already maintain such Securities Accounts, before accepting any Rights Shares or applying for any Excess Rights Shares, in order for the number of Rights Shares and, if applicable, the Excess Rights Shares that may be allotted to them to be credited by CDP into their Securities Accounts. Entitled Scripholders and their renounees who wish to accept the Rights Shares and/or apply for the Excess Rights Shares and have their Rights Shares credited by CDP into their Securities Accounts must fill in their Securities Account numbers and/or National Registration Identity Card ("NRIC")/passport numbers (for individuals) or registration numbers (for corporations) in the relevant forms comprised in the PAL. Entitled Scripholders and their renounees who fail to fill in their Securities Account numbers and/or NRIC/passport numbers (for individuals) or registration numbers (for corporations) or who provide incorrect or invalid Securities Account numbers and/or NRIC/passport numbers (for individuals) or registration numbers (for corporations) or whose particulars provided in the forms comprised in the PAL are incorrect or invalid or differ from those particulars in their Securities Accounts currently maintained with CDP will be issued physical share certificates in their own names for the Rights Shares allotted to them and if applicable, the Excess Rights Shares allotted to them, sent by ordinary post AT THEIR OWN RISK. Such physical share certificates, if issued, will not be valid for delivery pursuant to trades done on the SGX-ST under the book-entry (scripless) settlement system, although they will continue to be *prima facie* evidence of legal title.

If the Entitled Scripholders' addresses stated in the PALs are different from their addresses maintained with CDP, they must inform CDP of their updated addresses promptly, failing which the notification letter on successful allotments will be sent to their addresses last maintained with CDP.

A holder of physical share certificate(s), or an Entitled Scripholder who has not deposited his share certificate(s) with CDP but who wishes to trade on the SGX-ST, must deposit with CDP his existing share certificate(s), together with the duly executed instrument(s) of transfer in favour of CDP, and have his Securities Account credited with the number of Rights Shares or existing Shares, as the case may be, before he can effect the desired trade.

THE FINAL TIME AND DATE FOR ACCEPTANCES OF AND PAYMENT FOR THE RIGHTS SHARES AND (IF APPLICABLE) APPLICATIONS AND PAYMENT FOR THE EXCESS RIGHTS SHARES IS 5.30 P.M. ON 5 AUGUST 2024 (OR SUCH OTHER TIME(S) AND/OR DATE(S) AS MAY BE ANNOUNCED FROM TIME TO TIME BY OR ON BEHALF OF THE COMPANY).

7. PERSONAL DATA PRIVACY

By completing and delivering the PAL, an Entitled Shareholder (i) consents to the collection, use and disclosure of his personal data by the Relevant Persons for the Purposes; (ii) warrants that where he discloses the personal data of another person, such disclosure is in compliance with applicable law; and (iii) agrees that he will indemnify the Relevant Persons in respect of any penalties, liabilities, claims, demands, losses and damages as a result of his breach of warranty.
