LETTER TO SHAREHOLDERS

2. THE PROPOSED PARTICIPATION BY CONTROLLING SHAREHOLDER(S) AND THEIR ASSOCIATES IN THE SPSP 2021

2.1 Background

On 4 August 2021, at the 2021 EGM, the SPSP 2021 was approved by Shareholders and adopted by the Company. The purpose of the implementation of the SPSP 2021 was to use performance share awards as part of a compensation plan for attracting as well as promoting long-term staff retention, by providing an opportunity for Group Employees, Group Executive Directors, and Group Non-Executive Directors (including the Independent Directors) to be remunerated through an equity stake in the Company. Details of the SPSP 2021 can be found in the 2021 Circular. The SPSP 2021 was adopted for a duration of ten (10) years, and may be continued beyond that period with the approval of Shareholders by ordinary resolution at a general meeting and of any relevant authorities which may then be required.

Pursuant to Rule 852 of the Catalist Rules, participation in a scheme by Controlling Shareholders and their Associates must be approved by independent shareholders of the issuer. A separate resolution must be passed for each person and to approve the actual number and terms of Award(s) to be granted to that participant.

Accordingly, the Company is seeking independent Shareholders' approval for the Proposed Resolutions.

2.2 Rationale for participation by Controlling Shareholder(s) and their Associates in the SPSP 2021

As stated in the 2021 Circular, the Company acknowledges that the services and contributions of Group Employees who are Controlling Shareholders or Associates of the Controlling Shareholders are important to the development and success of the Group. The extension of the SPSP 2021 to confirmed full-time employees who are Controlling Shareholders or their Associates allows the Group to have a fair and equitable system to reward employees who have actively contributed to the progress and success of the Group. The participation of the Controlling Shareholders or the Associates of the Controlling Shareholders in the SPSP 2021 will serve both as a reward to them for their dedicated services to the Group and a motivation for them to take a long-term view of the Group's growth. In addition, the terms of the SPSP 2021 do not differentiate between the Controlling Shareholders and their Associates from other Group Employees in determining the eligibility of such persons to be granted Awards, and there are sufficient safeguards against abuse resulting from the participation of the Controlling Shareholders and/or their Associates in the SPSP 2021.

2.3 Safeguards

Pursuant to Rule 852 of the Catalist Rules, specific approval of independent Shareholders is required for the participation of any individuals who are Controlling Shareholder(s) and their Associates in the SPSP 2021. In seeking such independent Shareholders' approval, clear justification as to the number and terms of the Award(s) to be granted to the Controlling Shareholders and their Associates will need to be provided.

LETTER TO SHAREHOLDERS

As a safeguard against abuse, only members of the Board who are not Controlling Shareholders and their Associates will be involved in deliberations in respect of Award(s) to be granted to Controlling Shareholders and their Associates, and the terms and conditions attached to such Award(s).

In accordance with the Rules and subject to independent Shareholders' approval, the aggregate number of Shares issued and issuable and/or transferred and transferable in respect of all Awards granted pursuant to the SPSP 2021 available to all Controlling Shareholders and their Associates shall not exceed 25.0% of the Shares available under the SPSP 2021 and the number of Shares issued and issuable and/or transferred and transferable in respect of all Awards granted pursuant to the SPSP 2021 available to each Controlling Shareholder and their Associates must not exceed 10.0% of the Shares available under the SPSP 2021.

In view of the above, the Company is of the view that there are sufficient safeguards against abuse resulting from the grant of Award(s) to Controlling Shareholders and their Associates in the SPSP 2021.

2.4 Potential Costs of Awards

The accounting rules in the Singapore Financial Reporting Standards require the fair value of employee services received in exchange for the grant of the Shares to be recognised as an expense. For equity-settled share-based payment transactions, the total amount to be expensed in the income statement over the vesting period is determined by reference to the fair value of each Share granted at the grant date and the number of Shares vested by the vesting date, with a corresponding increase in share-based payment reserve.

At each reporting date, the Group revises its estimates of the number of shares under performance share plan that are expected to be vested and recognises the impact of the revision of the estimates in profit or loss, with a corresponding adjustment to the share-based payment reserve over the remaining vesting period.

The aggregate number of Shares issued and issuable and/or transferred and transferable in respect of all Awards granted pursuant to the SPSP 2021 available to all Controlling Shareholders and their Associates must not exceed 25.0% of the Shares available under the SPSP 2021.
